SCHOOL

VOLUME 12

SPIRIT OF 1976

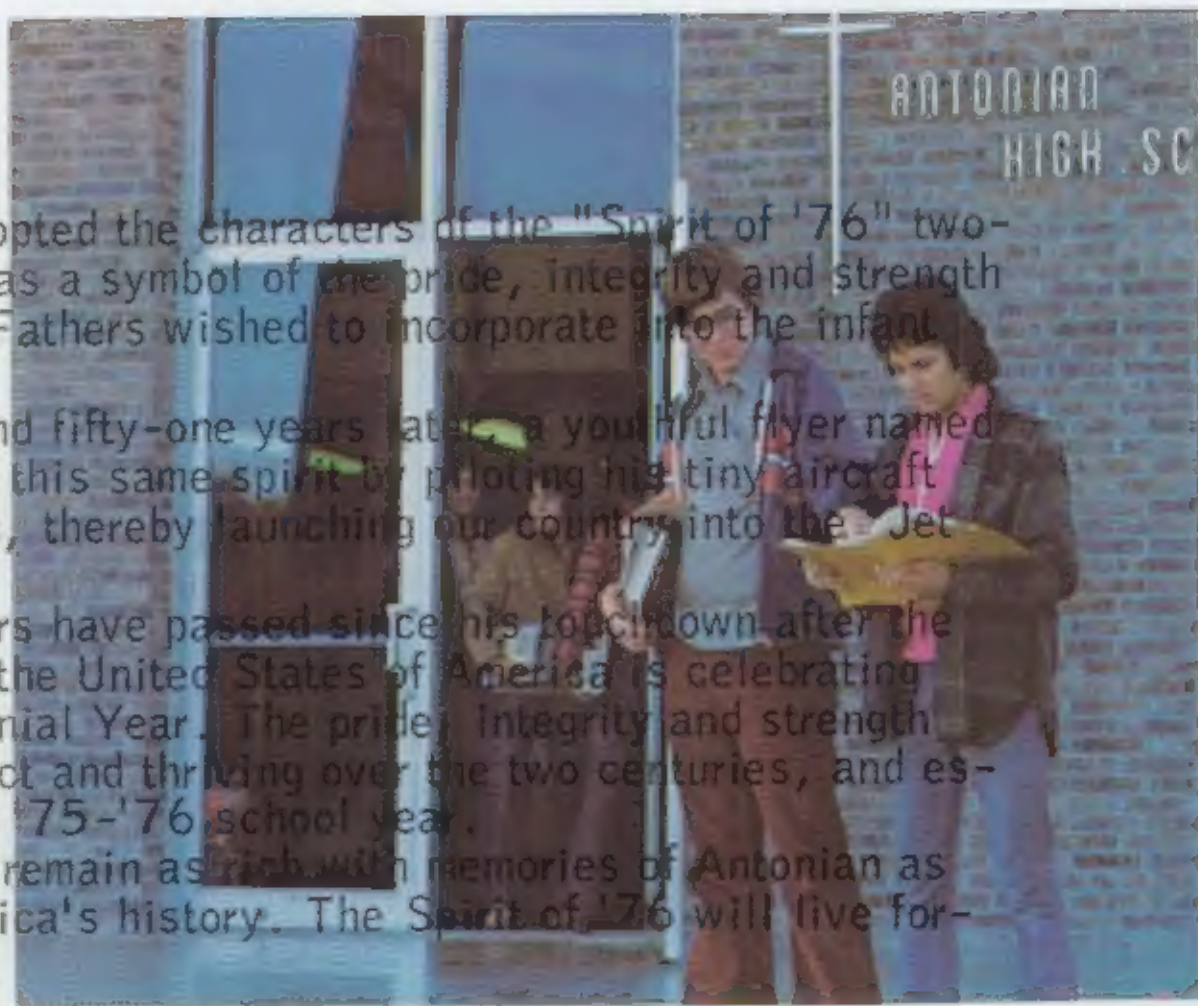

Our country adopted the characters of the "Spirit of '76" two-hundred years ago as a symbol of the pride, integrity and strength that the Founding Fathers wished to incorporate into the infant country.

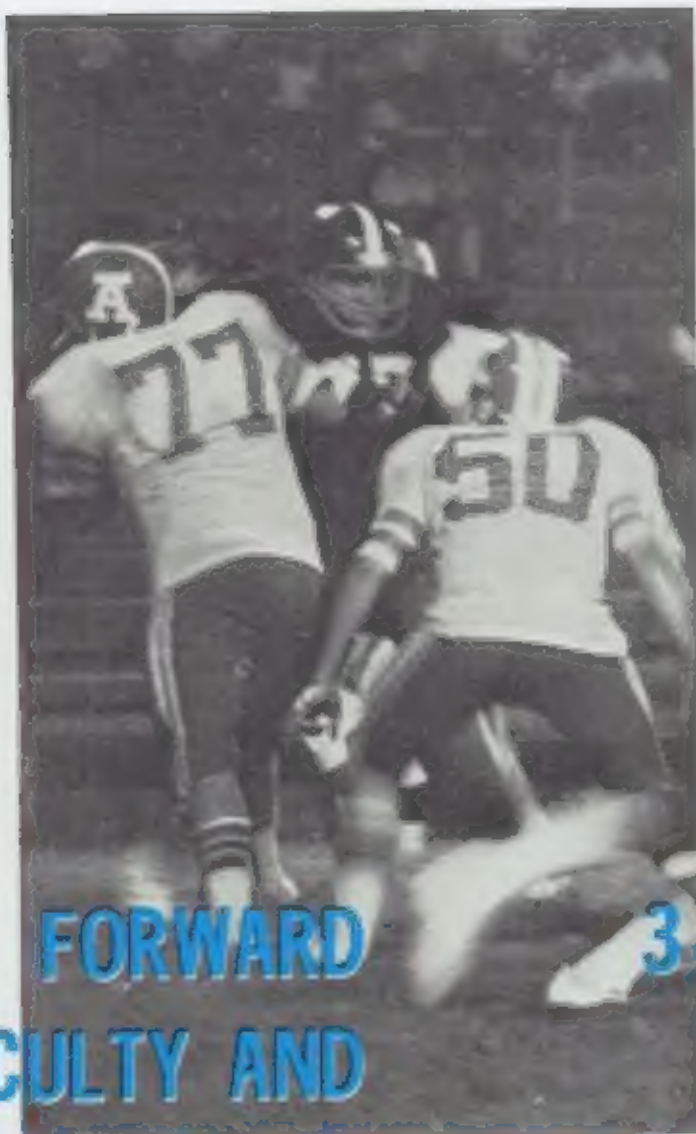

One-hundred and fifty-one years later, a youthful flyer named Lindberg portrayed this same spirit by piloting his tiny aircraft across the Atlantic, thereby launching our country into the "Jet Age".

Forty-nine years have passed since his touchdown after the fateful flight, and the United States of America is celebrating it's great Bicentennial Year. The pride, integrity and strength have remained intact and thriving over the two centuries, and especially during the '75-'76 school year.

Our minds will remain as rich with memories of Antonian as with those of America's history. The Spirit of '76 will live forever.

FACULTY
&
ADMINISTRATION

Father Robert E. Kurilec, S.C.J., principal of Antonian, is in his second year at the school. While at Antonian, he has done everything in his power to make it a better Catholic high school.

Father believes in communication within the school; he talks with the students and invites communication from them. He promotes school activities, emphasizing a need to get involved and become a working part of the school. Father attends most school events, reminding us by his presence of his concern for us. He is always willing to try something new, in hopes it will be beneficial to the school.

Always trying to improve the school by reminding us what Antonian represents, Father's quiet wit and kindly influence will remain with us always.

Father Joe Di Venuto is with us for the first time this year and he is doing a fine job of it, too. He does curriculum work for the school and is a very qualified teacher as well. Welcome, Father Joe.

Mr. Albert Lilly was a rookie in his role as Dean of Students. After being a teacher the previous year, his experience as Director of Air Force Police prompted his appointment to his position.

With him came the philosophy that anything can be made better with good discipline. "Discipline is a state of mind; only by having self-discipline can anyone achieve a goal."

FATHER PESEK

School Chaplain, J.V. Baseball coach, in his fifth year at our school, has been at Antonian longer than any other faculty member. Well known by all the students, respected as a fine Theology teacher, and, boy, what a baseball coach he is!

COACH HOOVER

Nice day! Coach Hoover is in his first full year as Athletic Director. He is also an experienced faculty member and, of course, a really fine track coach.

SISTER M.

Sr. Mignonne, a new member of the Antonian staff, is the counselor. She has a busy schedule, but she is always around when you need her, well, almost always.

MRS. DALE ROBB

One of the most well known and friendliest faces in our school

She has spent a long time here and it seems like she knows all the students. She knows what is going on.

Many a student has she known and so many more still remember her.

MRS. JULIAN

Mrs. Julian seems to do alot of paperwork which is very important to any organization.

She is, however, very interested in the needs of the students. Another "veteran" she knows her work knows her, so do we.

MRS. KONDOFF

She started just as a friendly face in the morning then she began to stay all the time. She sells you milk at lunch and a book anytime.

LTCMDR VALDES

Our business manager and our NJROTC teacher, most of the time. He adds alot to our school with his profound wit and wisdom

MRS. BARTON

Her office is not very big but she can do and does what she has to there. Assisting Fr. Joe she helps keep the school going where it must.

SISTER BLANCHE & OUR LIBRARY

ANTONIAN LIBRARY BUILDS BETTER PERSONS

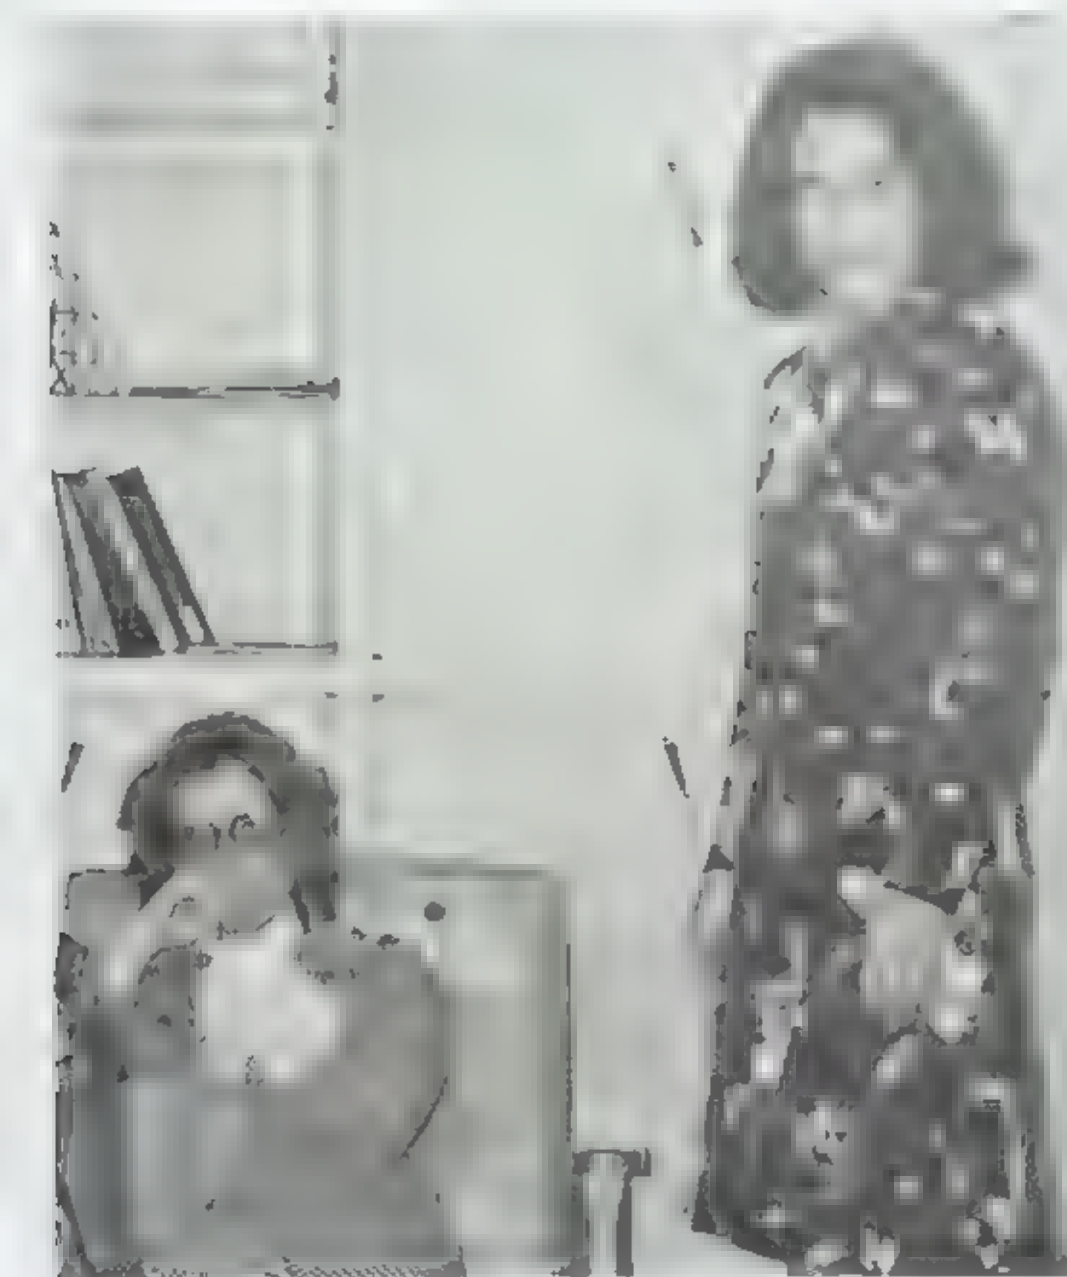

Better persons, better men,
well our library builds them
both. Sr. has kept the li-
brary organized and a quiet
place to study for many a
year.

FACULTY LOUNGE

Monday in the faculty lounge. Not really any different from any other day but here are our teachers getting it together for their respective classes. This might have been the one place to escape from the students till our persistant Warrior photographers invaded the premises.

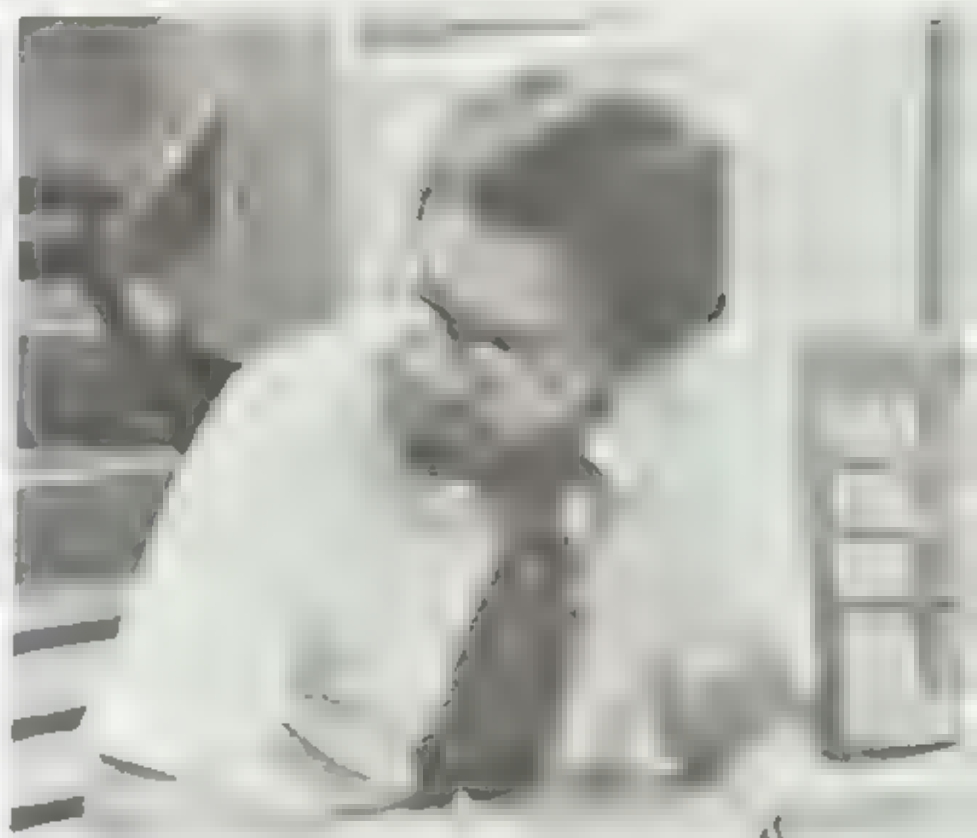

SPANISH

"HURRY! THE BEANS ARE GETTING COLD"

Buenos dias amigos! Welcome to Spanish class. Welcome to conjunctions, the preterit tense, and fun. Mr. Felix Martinez was the instructor of Spanish I and II. A great class, but we didn't drink the water!

Our final three Theology teachers this year were fathers, Barlow, Pesek and Mr. Vogelgesang. Father Barlow is new this year but is not entirely new since he used to teach here in the past. Mr. Vogelgesang came in after Father LeMaire left. Mr. V. turned out to be a good teacher not only in Theology but in English as well. Then there is always Fr. Tony Pesek, Long-time member of the Antonian scene and still going. Theology was theology this year but when isn't it?

THEOLOGY

ENGLISH

An educational and yet an exciting year in English this year. Mrs. Ford was new to the school this year and so was Mr. Dugosh but Mr. Baldoni has been here a long time. These were the people that revealed Shakespeare to our minds and who showed us how to express ourselves in script.

Mr. Dugosh and Tim Dana discuss something of obvious vital importance but they had a spare moment for our camera.

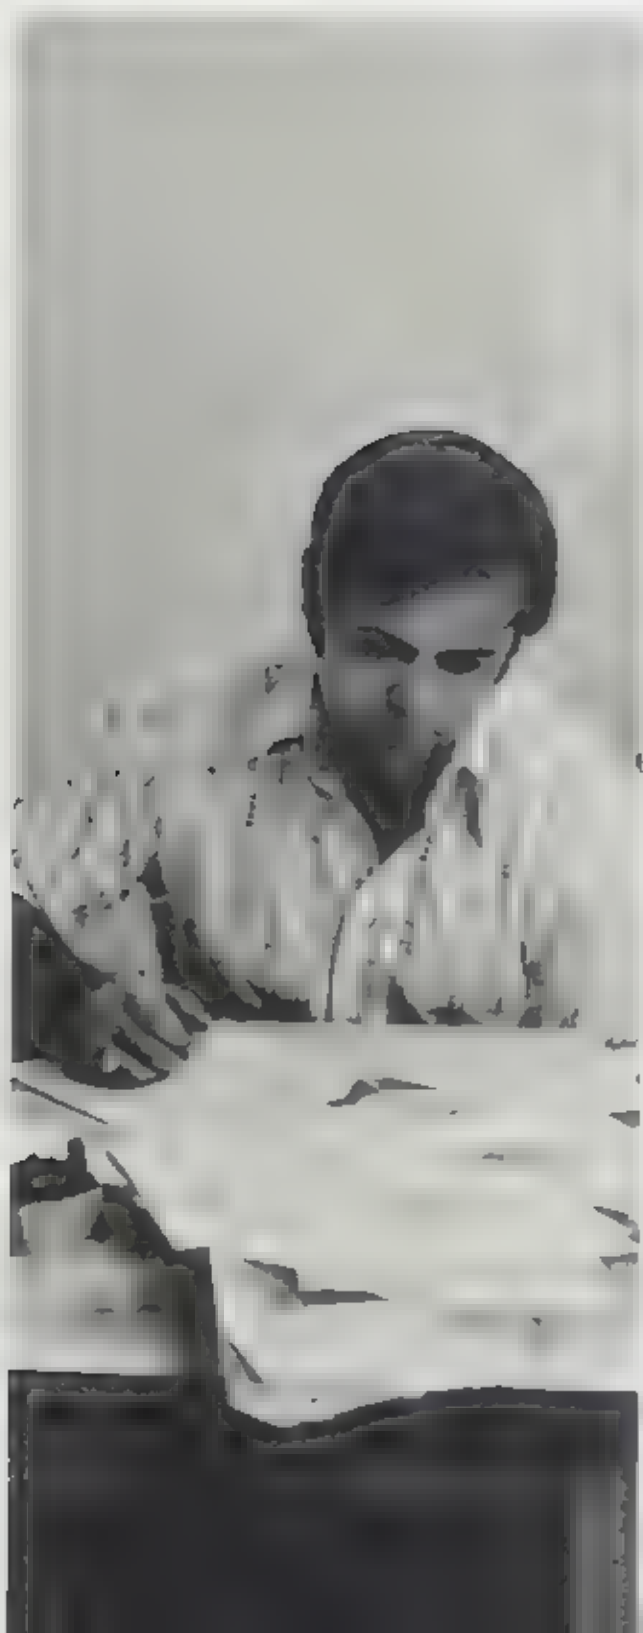

Our English department, Mrs. Marilyn Ford, Mr. Mitchell Baldoni, Mr. David Dugosh and Mr. Vogelgesang.

DRAFTING

T-square, triangle, compass, architecture scale, engineer scale. These were the tools of our drafting class. The course, taught by Mr. Richard Fletcher, was diversified with the main objective to teach students how to use the modern tools of today's architectural world.

BUSINESS

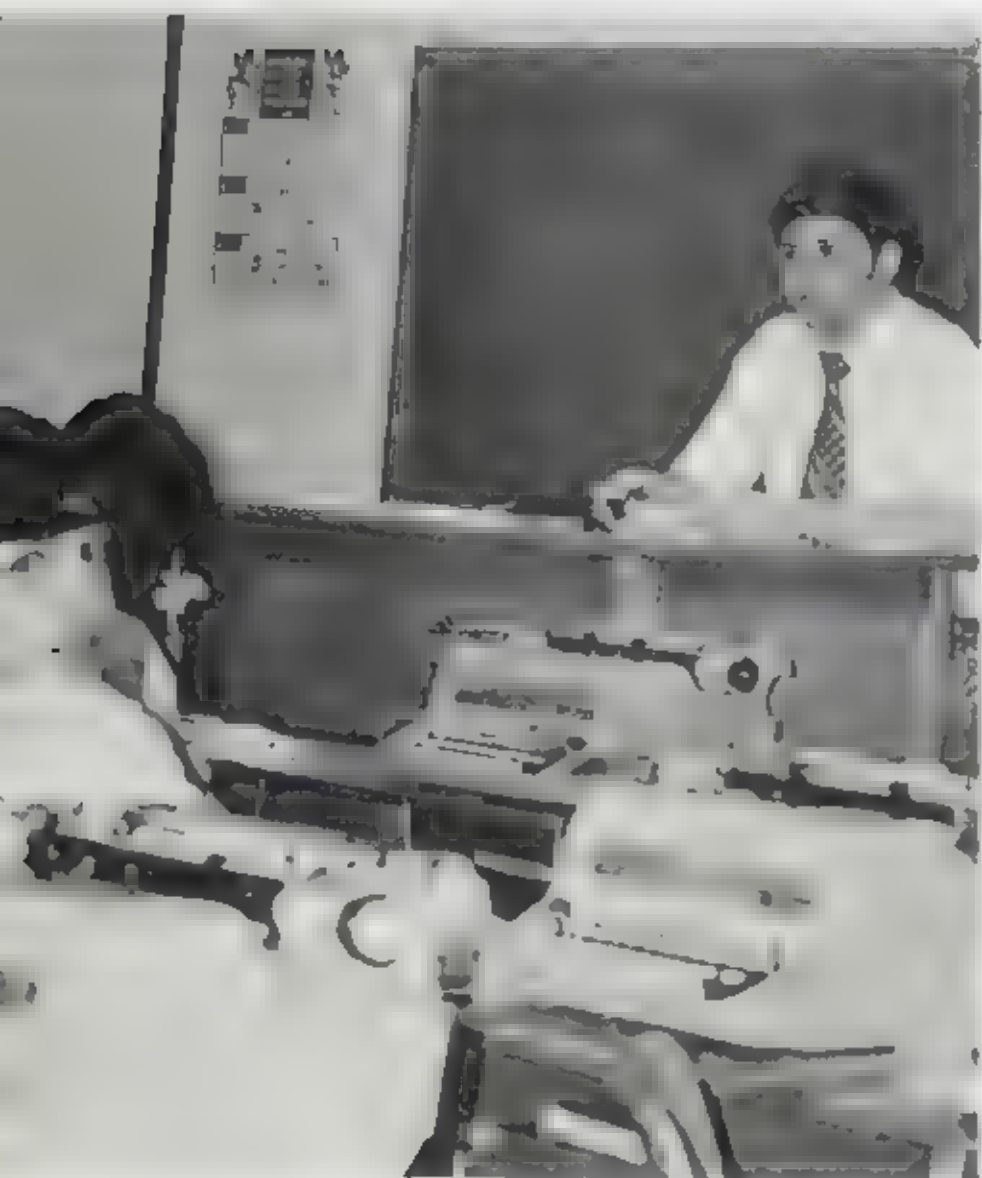

A large congregation of juniors and seniors learned the do's and don'ts of business, taught by Mr. Don Hoover. The main object of the course was to teach the students how business law relates to their lives.

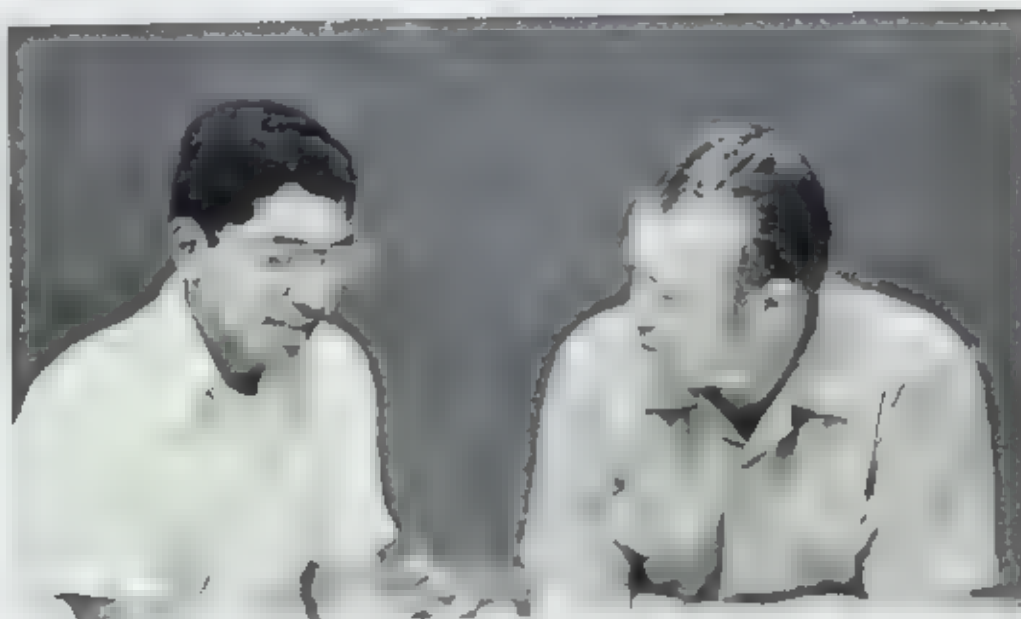

Mr. Hoover taught a class in which business transactions of every kind were reviewed over and over again. The students put business transactions into their ledgers, then worked problems concerning these transactions. It was a valuable and enjoyable year for all the students in 1 B.

TYPING

From rocks to numbers, from sand-piles to letters, and from coke bottles to symbols, the freshman class has now ripped typewriter ribbons and burned the keys with their achievements in typewriting "penmanship." The strength in the muscles of their phallanges (thanks to their training in Health Education) has increased and enabled them to pursue endeavors outside of class. For example, the future heir of the weight program will be "Hands" Kondoff, closely followed by "The Giles." Thanks, "Eagle Eye" (Coach Szafranski)!

NAVAL SCIENCE

The Naval Science Department was again led by Captain Nation, Commander Valdes, and Chief Lancaster. Their hard work brought up such big events as the Military Ball and the trip to San Diego as well as trips to Beeville and the Coast. The Drill Team and Color Guard were busy participating in the Black and White Ball, Congressman Krueger's presentation of the Bicentennial Flag to Ursuline, and other special activities. And a big moment came when our first class of 4-year NJROTC cadets graduated.

SCIENCE

The Science Department was one of the major tributes to the scholastic achievements of Antonian during the 1975-76 school year. Mr. Kirk Cameron, department head, taught Biology I and II; Mr. Gary Louie taught Physics, Chemistry, and Physical Science; and Mr. Don Hoover taught Physical Science.

Some of the major scientific achievements of the year were a small live animal collection in the Biology lab and intricate Physics and Chemistry projects set up at the end of the year in the Chemistry lab.

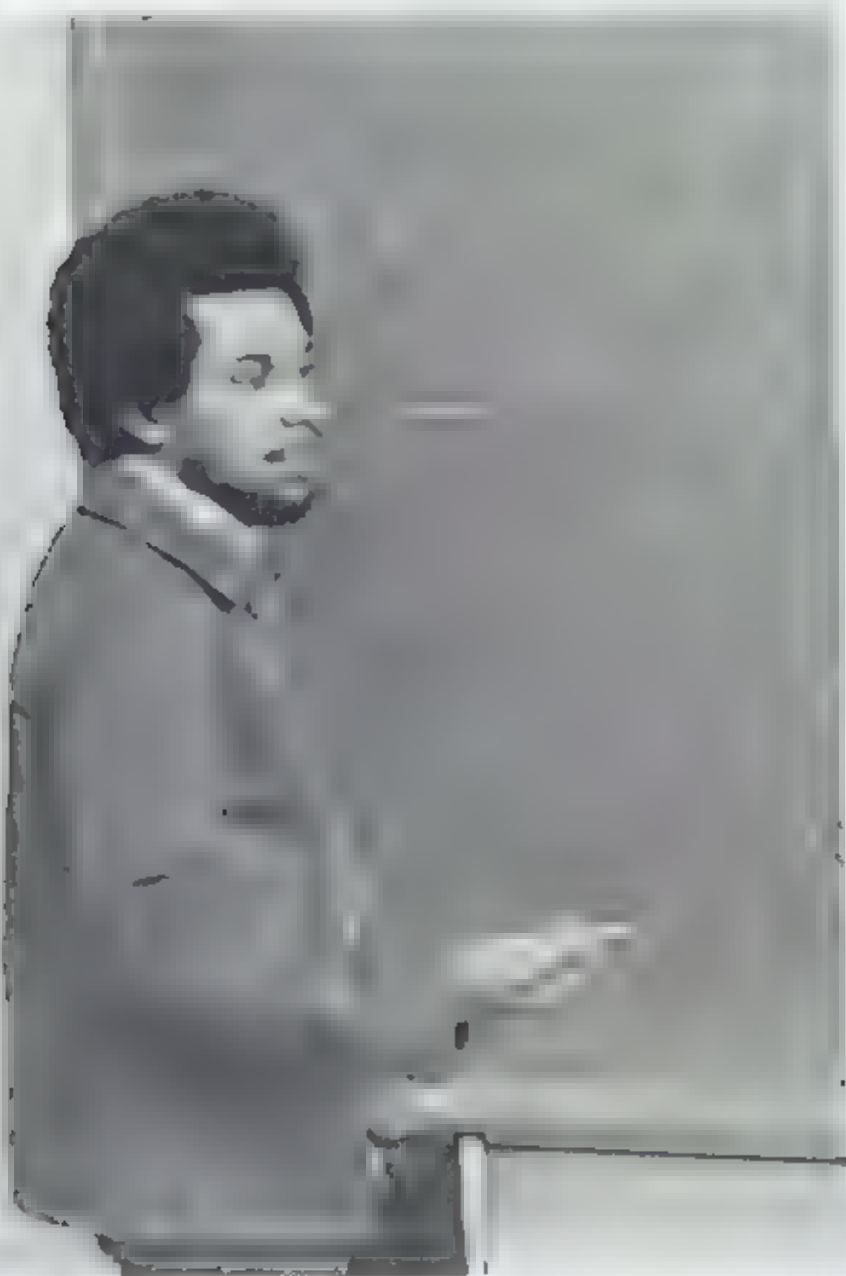

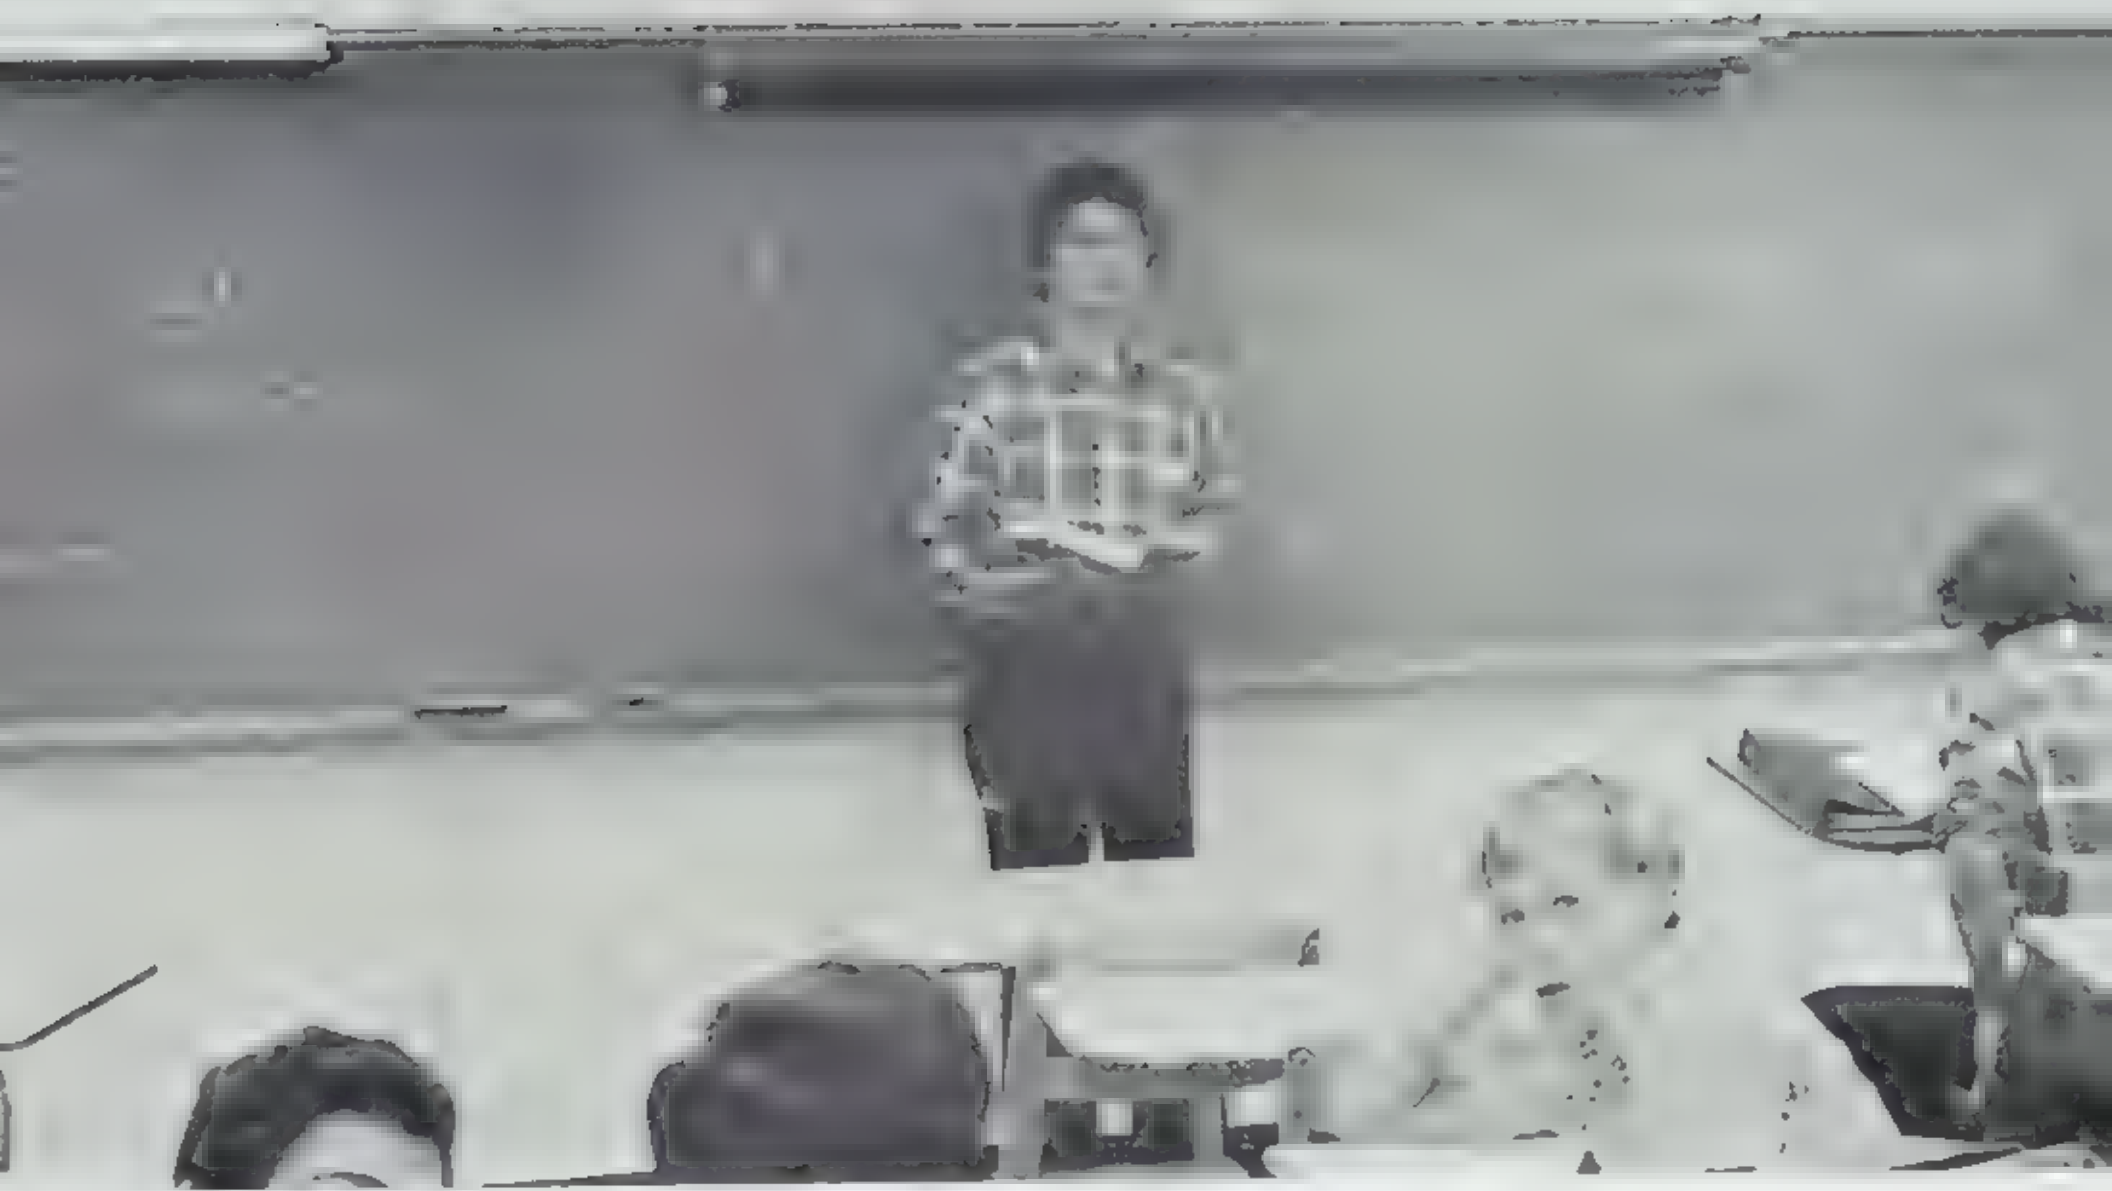

MATH

Protractors, compasses, slide-rules, and textbooks, the ingredients for a year in math class. Forty-eight minutes of fun and frolic held five days a week. Subjects range from Algebra I to Geometry to Trigonometry. Mrs. Barbara Stocking was the head of the department.

A good bunch of teachers: Ortega, Clardy, Guerro and Stocking. And one and one is two; two and two is four... ect.

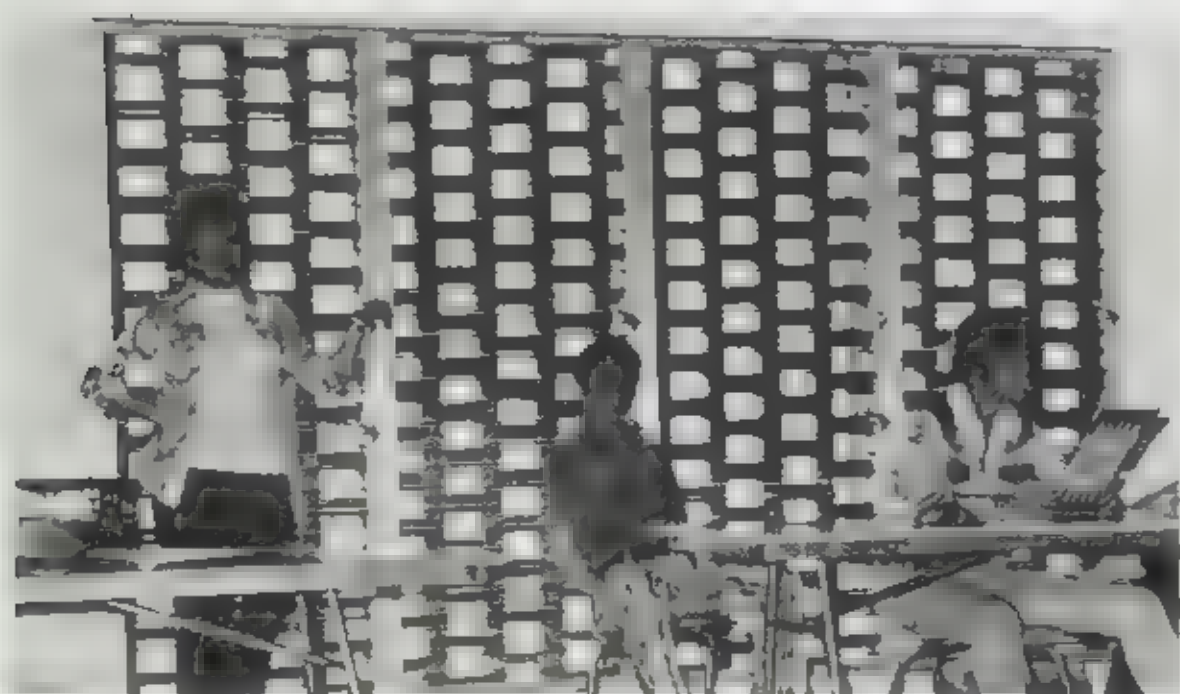

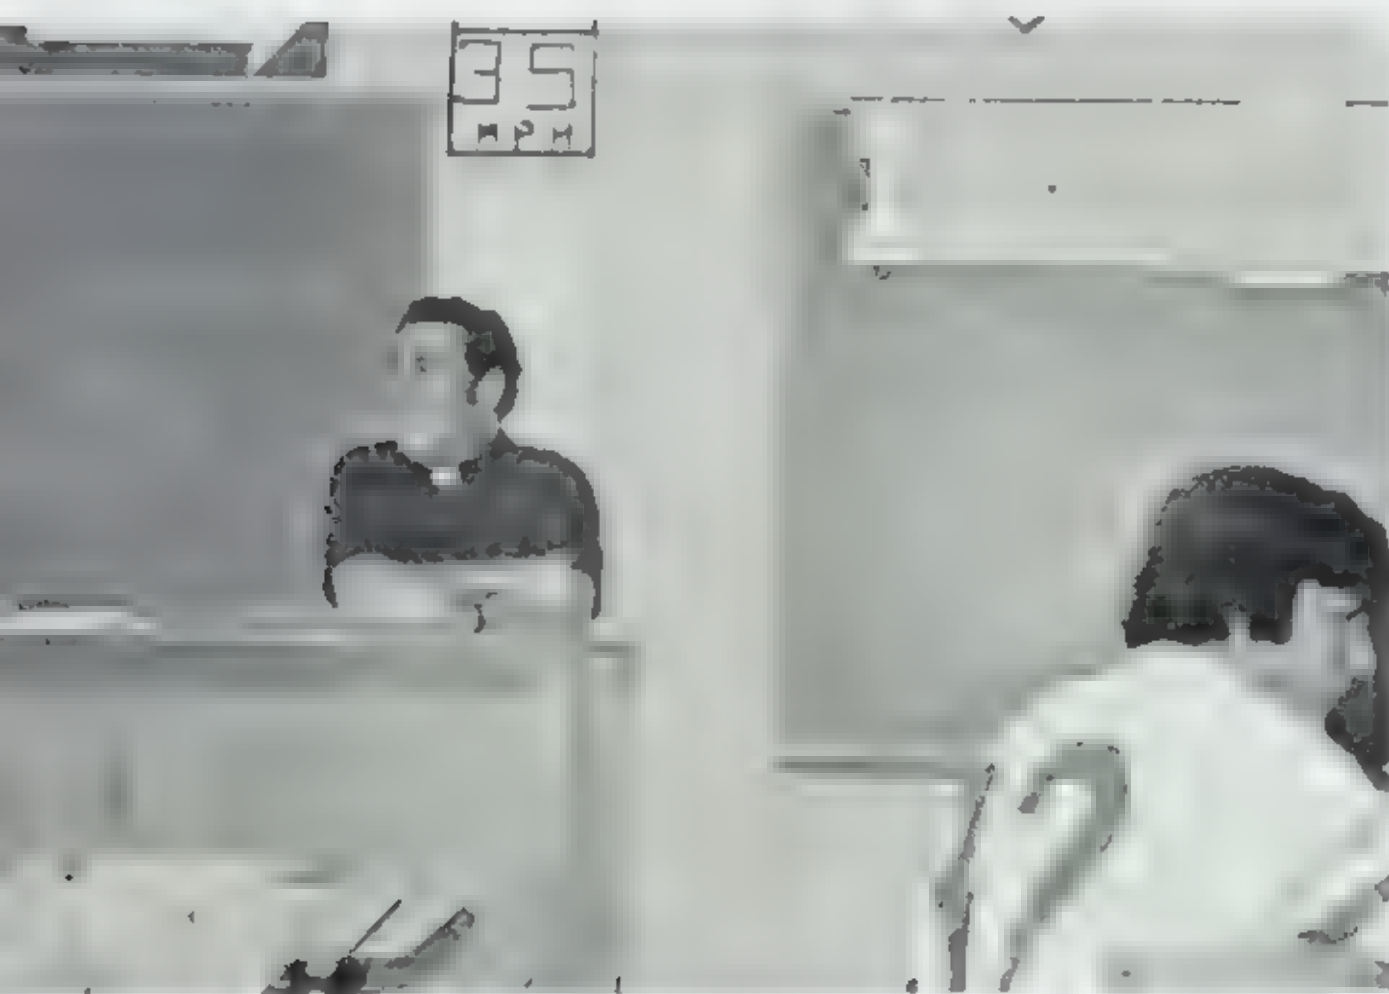

The whole math department was new with the exception of Mrs. Stocking. The newest member of the team is Mr. Clardy who is teaching Algebra II and Trigonometry.

HISTORY

History can be defined as a looking back into the past occurrences and relating them to the present. The courses taught at Antonian were American History, World History, and American Government.

The stout-hearted men that took on the challenge of expanding the student's minds in History and Government were Mr. Baldoni, Mr. Martinez, and Mr. Lilly. Teaching Government was Mr Szafranski and Fr. Joe Di Venuto S.C.J. taught Psychology.

BAND

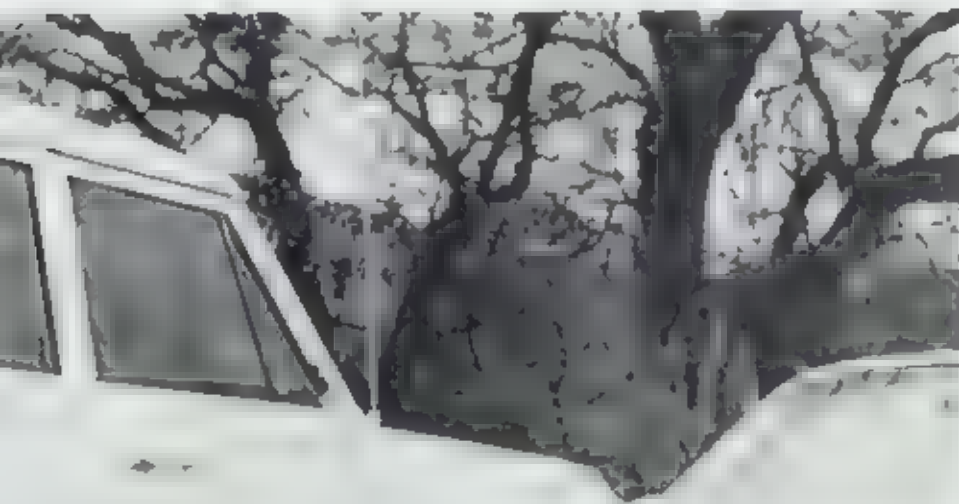

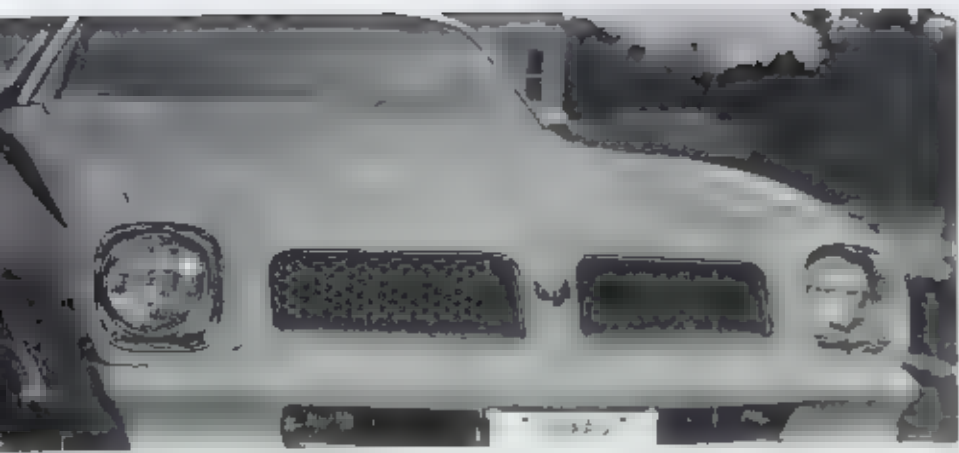

The Band at Antonian got off to a rearing (really!) start this year. Over 200 freshmen and sophomores were tested and 20% of them joined the new Apache Band. Two groups emerged: the A Band for advanced players and the B Band for those who were true beginners.

The Bible says to make a joyful noise, and that is what this "Band of Indians" did!

DRIVER'S ED

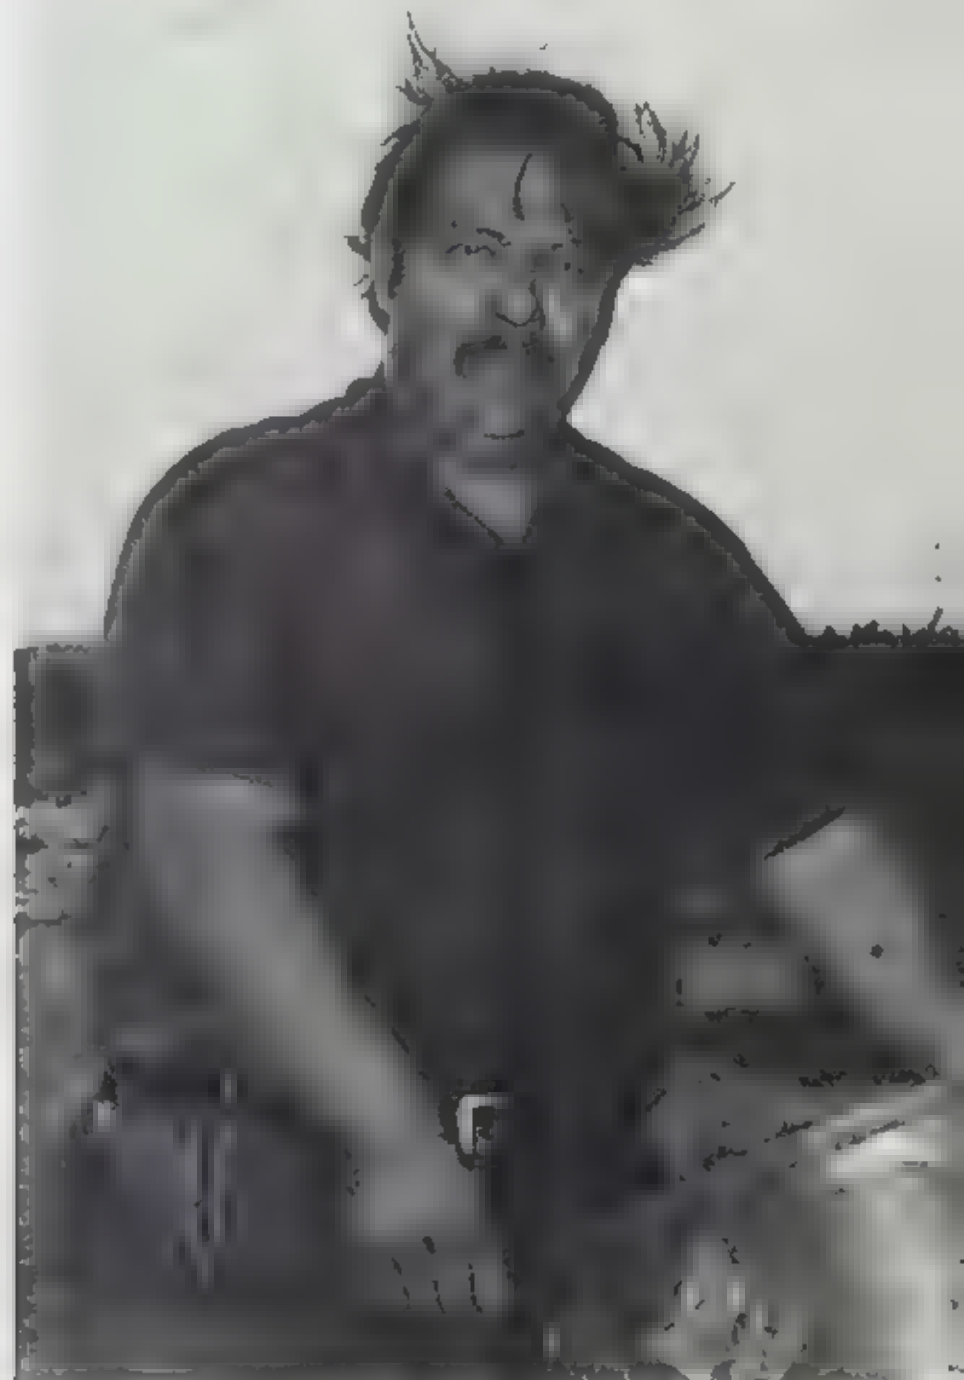

Didn't anyone tell you to "Beware"? If you have come close to being hit in the Antonian parking lot, you know why the warning! You were almost hit by one of our own Antonian students trying to drive a "Fire-bird" of all things.

The students first went through a trimester of classroom study with Mr. Paul Shires, then it was out to the obstacle course where they tried to learn to drive.

STEVE

Unlock school doors, turn on the lights and his day has begun. For the past twelve years these activities plus many others have become daily routine for our custodian Mr. Steve Hernandez. This year, one of Steve's most favorite chores was that of transporting Ursuline students to and from Antonian. But whatever the task may be, the yearbook staff would like to thank Steve for so many years keeping our school standing.

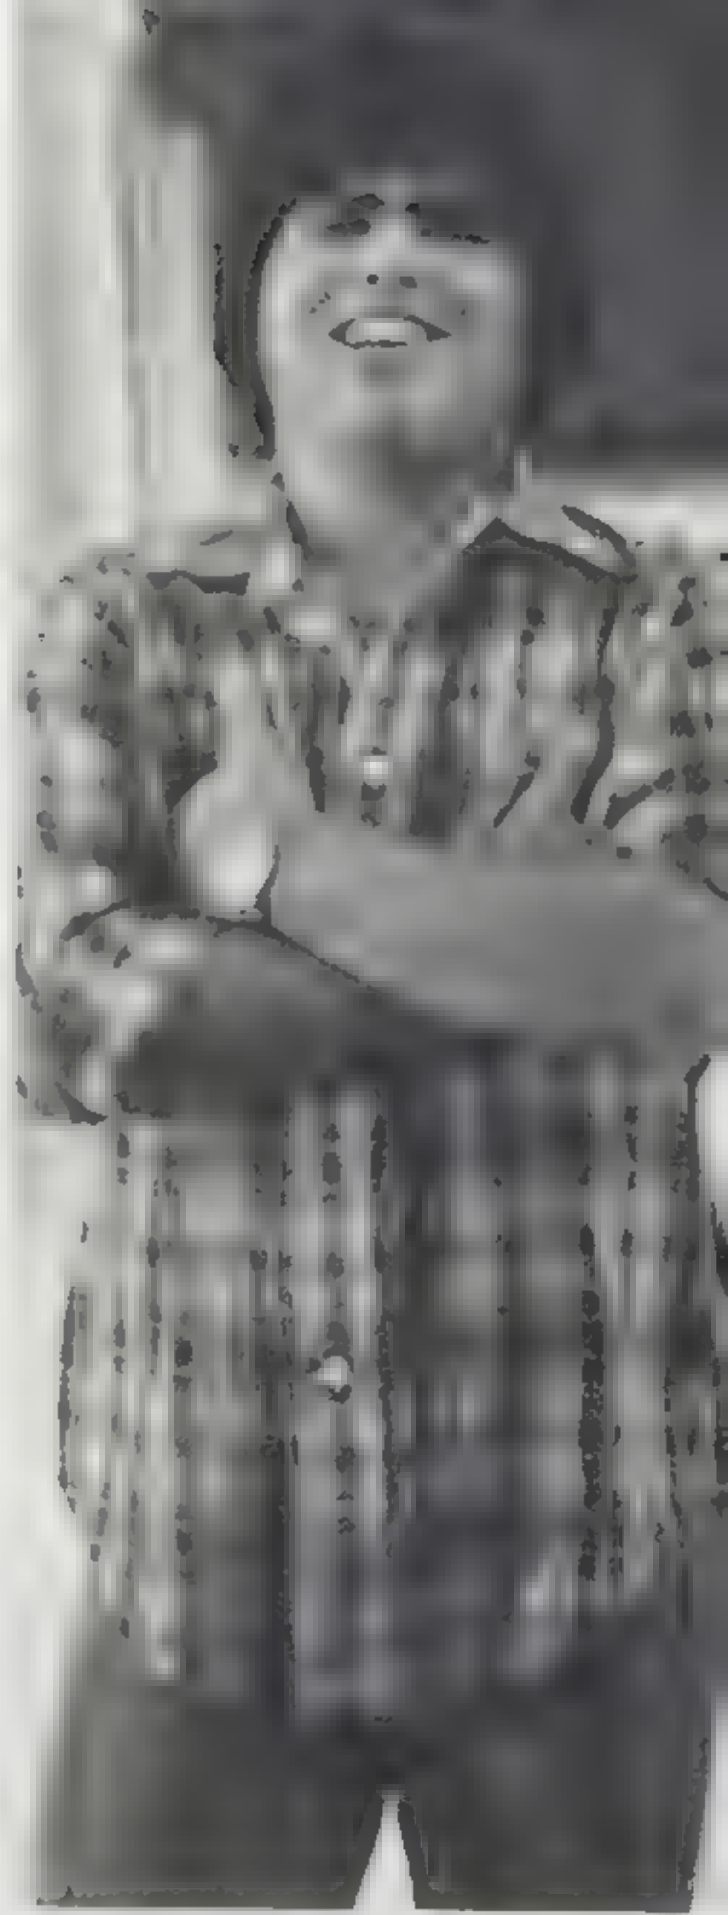

CAFETERIA LADIES

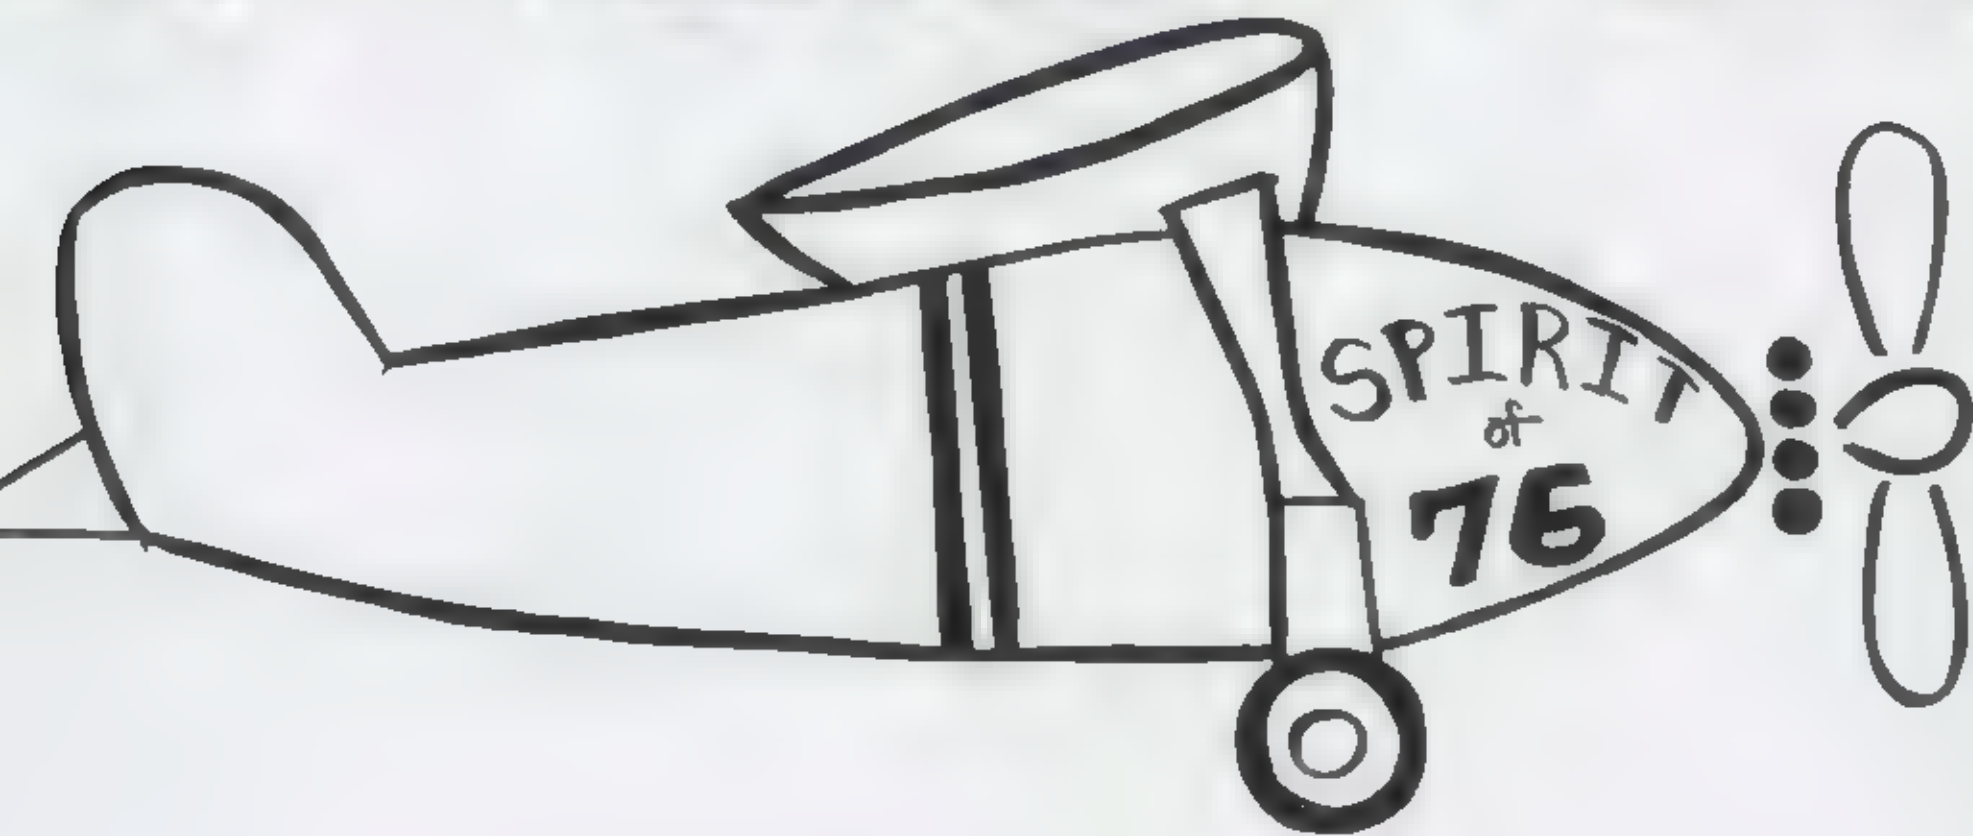

Mrs. Virginia Rogers
Mrs. Consuelo Fernandez

ORGANIZATIONS

STUDENT COUNCIL "EXECUTIVE" BOARD

"The Monkeys?" No, this is the student council executive board.

The members of the student council executive board were; President, Jim Michel--Vice-President, Jay Gutierrez--Treasurer, Henry Clarkson--Secretary, Mario Mendiola--Sgt.-at-arms, and Mike Machado--Program Manager.

LEVEL REPRESENTATIVES & HOMEROOM REPS

To the left are the level reps, and below are the homeroom reps. The level representatives organized the entire class while the homeroom reps kept each homeroom informed on what was going on in the student council. The Junior Class reps are responsible for organizing the Junior-Senior Prom and the Senior representatives make sure the Seniors go on a trip and buy something for the school.

THUNDERBIRD

The 1976 THUNDERBIRD staff.

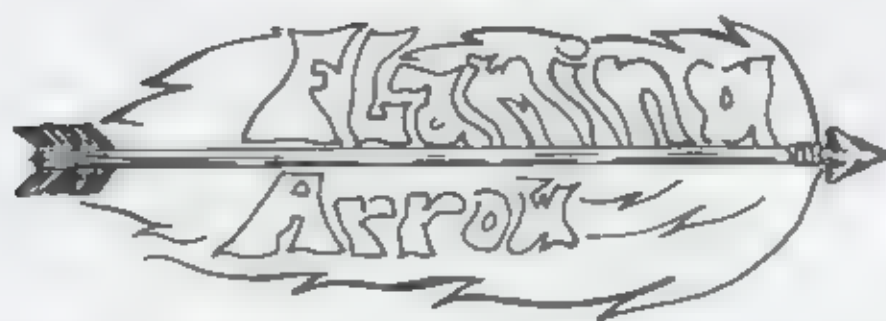

'Out of the mists of the distant past, there soared a bird; a mighty and powerful bird. He was worshiped as a god. He was swifter than the hawk and stronger than the eagle. This bird held the powers of the heavens. He forged the explosions heard during the storm. He was called THUNDERBIRD.' -----Apache lore

The purpose of the Thunderbird was two-fold. The staff wanted to inform the student body about as many parts of Antonian life as possible. They also attempted to entertain you with personal opinions and insights as well as feature articles. It was with these two goals that the staff set out. We at the Warrior staff were proud to be associated with a publication of the THUNDERBIRD'S stature.

FLAMING ARROW AND YEARBOOK

The staff of the Flaming Arrow worked together to create a newspaper which would appeal to the student body. The staff of the flaming Arrow was composed of Journalism students. These students decided that they wanted to entertain the rest of the student body and, with the help of Mrs. Ford, they did a good job. The editors were Terry Kemmy and Pete Valenzuela.

CHESS CLUB

The mighty minds in Mr. Clardy's Chess Club participated in several tourneys, placed in a few, and brought in a trophy! How's that for a fine, first-year record!

SPEECH & DEBATE

Original oratory, impromptu, prose reading, and extemporaneous. These terms could only belong to the Speech and Debate team, led by Mr. Mitchell Baldoni. They participated in some big tournaments at Churchill, Lee, and Alamo Heights. Their best moments came at Alamo Heights when Campion, Barton, Duepner, and Munoz advanced into second round contests. Something new happened when Cardenas and Bernadette Hamilton of Ursuline formed a duet that was great. Next year looks promising because all but three will return.

10-4

Break, one-nine. "Come on breaker." Yea, Ten four, we thank you for the break. For those of you who are wondering why the Antonian parking lot began to look like a scene from "2001: A Space Odyssey", it's because of the sudden appearance of strange multi antennaed vehicles, each possessing a C.B. radio. *

With as many as thirty of these radios around, they decided to get together and form a club. So here they are posing for their picture with their cars and radios.

KEY CLUB HAS AN ACTIVE YEAR

The Key Club, a service organization sponsored by the Kiwanas International organization, was in its second year this past year. The President was Jim Michel and they seemed to get a lot done for the school and other things. One of the things that they did was to sell bean tacos and donate the money to Guatemala.

KEY CLUB

ANGLER'S CLUB

In 1959 BJ Mullin was born, in 1975 he founded the Antonian branch of the Angler's Club, which is a fishing club.

They met every Monday afternoon during activities period and as well can be noted from the photo above there were a good number of members. It's moderator was Coach Kirk Cameron. (K. C. and the Sunshine kids).

They have gone on various field trips throughout the year. It is not as yet a competitive sport but more of a pleasure club.

SKEET CLUB

The Skeet club was largely an off-shoot of the rifle team. They just kinda got together to go out and shoot at skeets. They say they had a lot of fun and we are sure they did.

ROTC

Batallion Commander Mark Koch stands at attention at a typical Thursday formation with Executive Officer Ernest Valdez to his left and Operations officer Dave Nixon to his right. This particular morning was a bit chilly but this does not stop regular inspection. Below, we can see a platoon of Freshmen at seemingly frozen attention. This year as in years past NJROTC has been a requirement for Freshmen.

Inspection time, LTJG Richard Medina, CDR Mark Koch, and LKJG Mike Salterelli check out the troops. Below we can see another group of Freshmen, one of them apparently has violated the dress code for the day. We hope Mark wasn't too hard.

Lt. Ronny Alvarado and LTJG Bob Barrera look over their company. Below, ESN Bob Mullin stands in front of his platoon.

Here we have Matt King inspecting a group of cadets. No, the letterjacket is not part of the uniform but Matt says it's warm. Below, we see that Mark Koch has discovered one of the girl cadets out of uniform. He's going to let it slide this time. The next cadet looks on anxiously in hope of similar treatment.

YEARBOOK

This year's yearbook staff was a little bit different than ones in the past. For one thing, they met their print deadlines and they also had a class in which they could put ideas together.

At the beginning of the year no one knew quite what a yearbook was until Mr. Lilly started in. By getting a new yearbook company and teaching a few students how to take good pictures he started the book going. Pete Valenzuela took charge as editor, and a staff made up of Jim Michel, Ernie Valdez, Bobby Cava-soz, Mark Blount, Henry Valdespino, and Logan Burt worked like mad to bring the Bi-cen-tenial annual in on time.

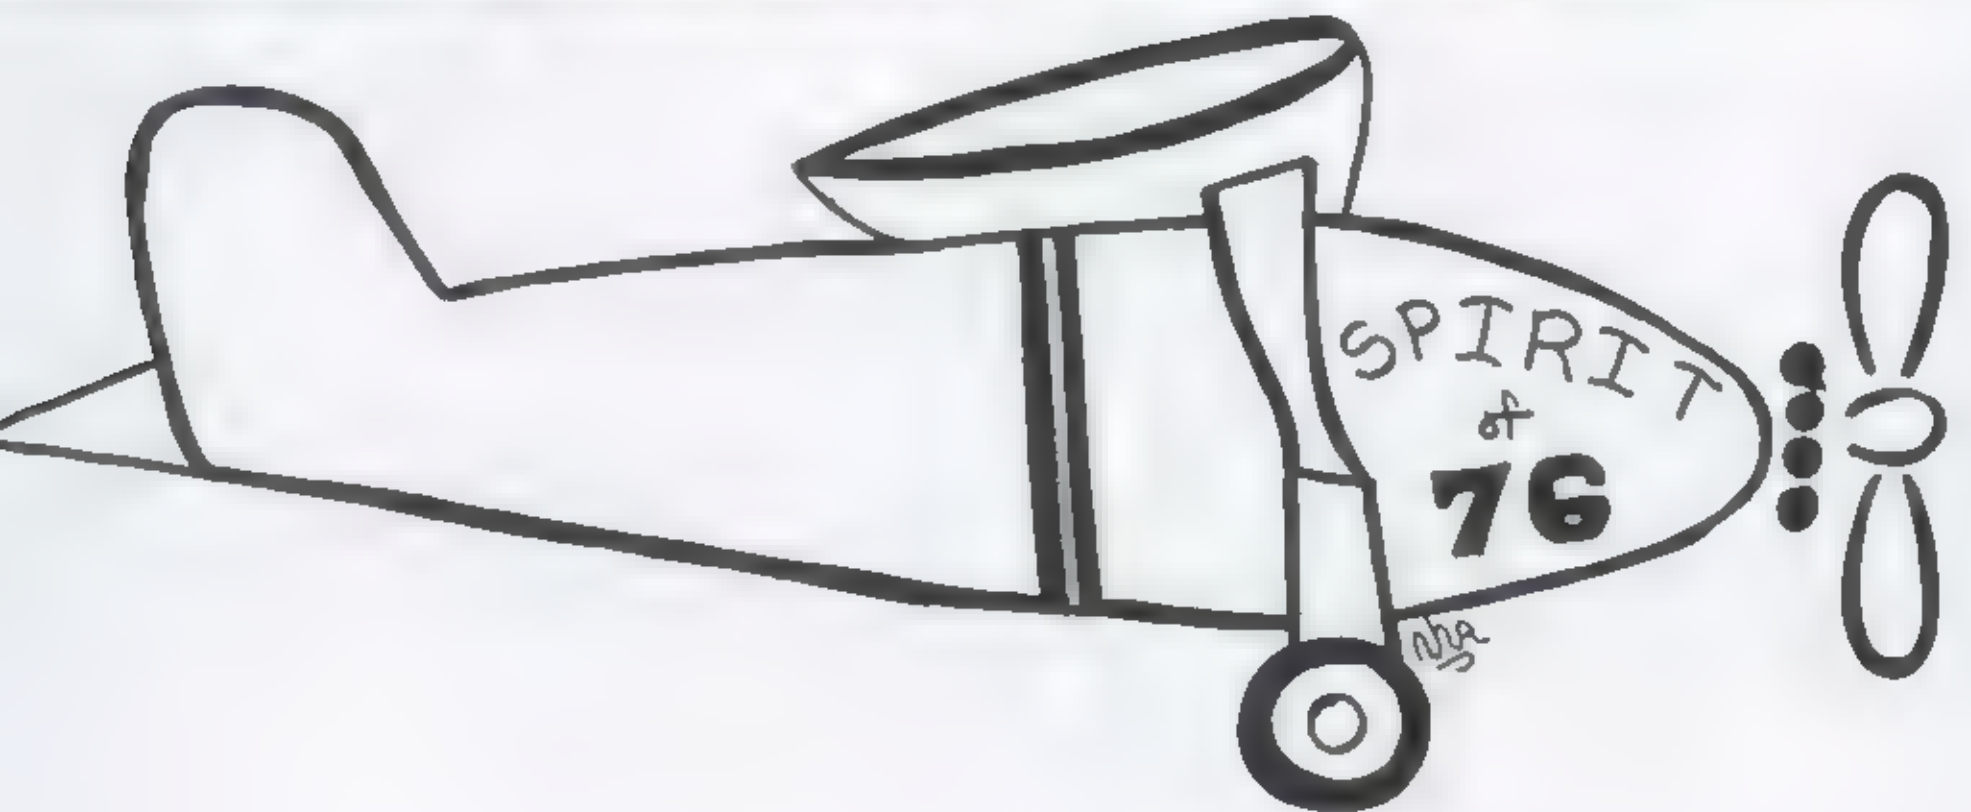

With all the problems that the staff en-dured, there were also many fulfilling mo-ments in making the contents of this book. The memories contained in this book are going to be greatly cherished by all.

SPORTS

There was something new on the sports scene this fall: cross-country track. Led by Coach William Nation, the Apache distance men trained daily in preparation for each meet.

When the district meet rolled around in late November, Antonian brought home the first place team trophy. Varsity milers Rudy Carolla and George Valenzuela lead the way as they sped through two mile course at Northeast Preserve. Rudy finished third and George fifth, for which they received All-District honors. Others who aided in the district cause were Tim Campion Benji Mills, and Chris Nellis.

FOOTBALL

To turn a team around from a miserable 2-8 season into one with a 7-3 slate and a share of the district crown is quite an achievement. Considering the brains of the coaching staff plus the sweat of the players, it is impossible to single out any one person for this accomplishment. Yet, the local newspapers took into consideration the long hours of hard work plus the performances of many and rewarded certain individuals:

Paul Shires, head coach, took the main award when he was acclaimed the Light's Football Coach of the Year, and he narrowly missed the same title from the *Express-News*. We at Antonian felt that he certainly deserved that kind of recognition.

Brian 'The Brute' Engelken, the top rusher on the team, finished as the leading ground gainer for area small schools with 814 yards. He was All-State, All-City, and All-District.

"Chico" Hernandez's outstanding defense and kicking made him the only junior to receive honors. "Chico" was All-City, All-District, and All-State. You name it; he got it! He won citations on three aspects of playing -- offensive lineman, defensive lineman, and specialist. He'll be back!

David Vizza's linebacker playing earned him spots on all three honor teams. Plus he was the team's top tackler and most valuable defensive player.

Linemen Chris Danna and Matt King were on the City, District, and State teams; and Rick Volz, Joe Harris, Roger Gonzalez, and David Biasiolli made honor teams.

It was a great year, a season that ended on a chance name drawing for the playoffs. Our name and Central's were pulled out of the hat, and, by virtue of their victory, they went to the State Finals. But Antonians had given their all and had come out winners.

FLORESVILLE

"The Brute"

A Floresville Back thought he could gain 200 yards in a repeat of the 1974 Tiger slaughter. In 1975, though, the Apaches did the massacre. The running attack, led by Brian Engelken and Jody Galvan, kept the ball moving while Antonian's defense held their foe's offense to 163 yards. Volz, Biasioli, Rendon, Danna, and Gonzalez also starred in this 54-0 showing.

ANTONIAN VS. COLE

Sloppy weather slowed down the Apache attack against the Cougars. Gonzalez hit Rendon and Biasioli for scores, and Engelken plunged in for another. Two scores were set up by Steve Ealy, who intercepted a pass and pounced on a fumble.

All the point-making took place in the first half because the rain came down hard in the second. Consequently, the third and fourth quarters saw plenty of running and controlled drives. Engelken racked up 150 yards in this 21-6 victory.

Roger Gonzalez kicked a 20-yard field goal with 43 seconds left to defeat the Hornets 10-7. Central took charge of the first three quarters with solid defense and a 23-yard TD pass. In the fourth, however, Mike Weiss, Brian Engelken, Allen Pozzi, and Roger Gonzalez starred in scoring 7 points.

Rick Volz recovered a fumble with four minutes to go to start the winning drive. Galvan picked up a first down, then Gonzalez booted the ball in on the second.

OVALDE

Antoniano's offense could not get untracked against a tough Coyote defense in the first loss of the year. Halfback Steve Rambie ran for two touchdowns that decided the 13-0 game.

The Apaches kept up for the first half, but things fell apart in the third quarter and defeat crept in. Roger Gonzalez was 2-16 with three interceptions in what seemed to be the key, but we just did not win them all.

KERRVILLE

Engelken was the scoring punch plus for an Apache win. After hauling in a 42 yard pass to the three, he ran in the next play for six. The Kerrville crowd was stunned when he took the second half kickoff, shook off tacklers, got behind blockers, and raced 90 yards for a TD. Vizza recovered a fumble and Hernandez booted a 36-yard field goal for this 15-8 victory.

RANDOLPH

Apaches and Ro-Hawks played an even game which was decided in the fourth quarter. With time running out, John Hernandez recovered a fumble on their 16. Jody Galvan ran in for six, and Roger Gonzalez kicked the PAT for this 13-12 win.

OFF TO HOUSTON

Houston Strake Jesuit converted two Apache turnovers into 15 points for a win in the game between two TCI powerhouses. The Crusaders' Keith Smith ran through holes all night, collecting 49 yards. Joe Harris picked off a Strake aerial and ran 39 yards for Antonian's lone touchdown. David Biasioli caught a pass for two points.

When this game took place, it was billed as a possible preview of the State Playoffs. Neither team, however, advanced to the playoffs. A crucial blow to the defense occurred when Rick Volz was injured for the year.

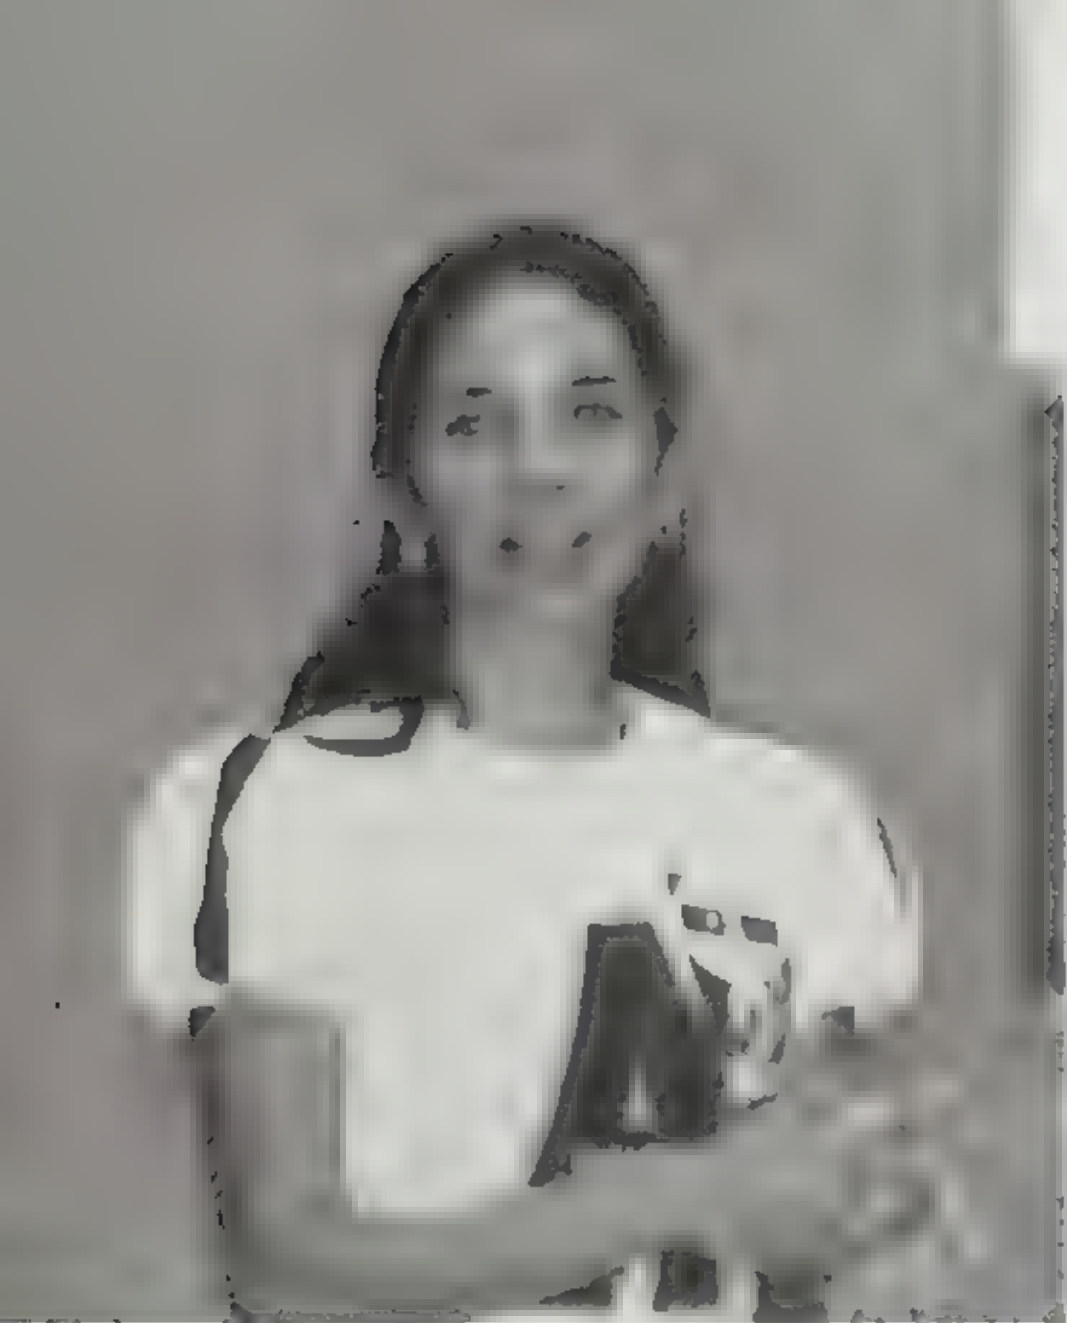

When Antonian played Central, the rain was really coming down, and the field was more of a lake than grass. The Buttons drew first blood, but, after a safety, Gonzalez found Rendon in the end zone on a 21-yard pass. Antonian led at the half, 8-7, for the only loss in District for the Apaches; it kept them out of the playoffs. This was Mike Rendon's last game.

St. Gerard's vs. Antonian was the wildest game of loop play because the Royals almost came back to win. Antonian held a 20-0 lead and escaped with 26-20 win. The offense looked strong, but the defense got burned by a couple of long range TDs. Loss by St. Gerard's set up a showdown with the Leapers, Central.

APACHES VS. HOLY CROSS KNIGHTS

For a team that was supposed to enjoy a rout, Antonian surely did not look like they could. They were moving the ball good, and the defense was holding, but five turnovers made the game really close.

With five minutes left in the first quarter, Holy Cross scored three on a 29-yard field goal. That was the only tally of the game, untill Engelken ran around right end 31 yards for the game winning TD. John Hernandez was outstanding on defense, blocking a punt, recovering a fumble, and crushing tne Knight's quarterback. The final score of the year was 7-3.

The J.V football team broke even this year, sporting a record of 4-4. Pleasanton, Lackland, St. Gerard, and Cole were all victims of our future varsity players.

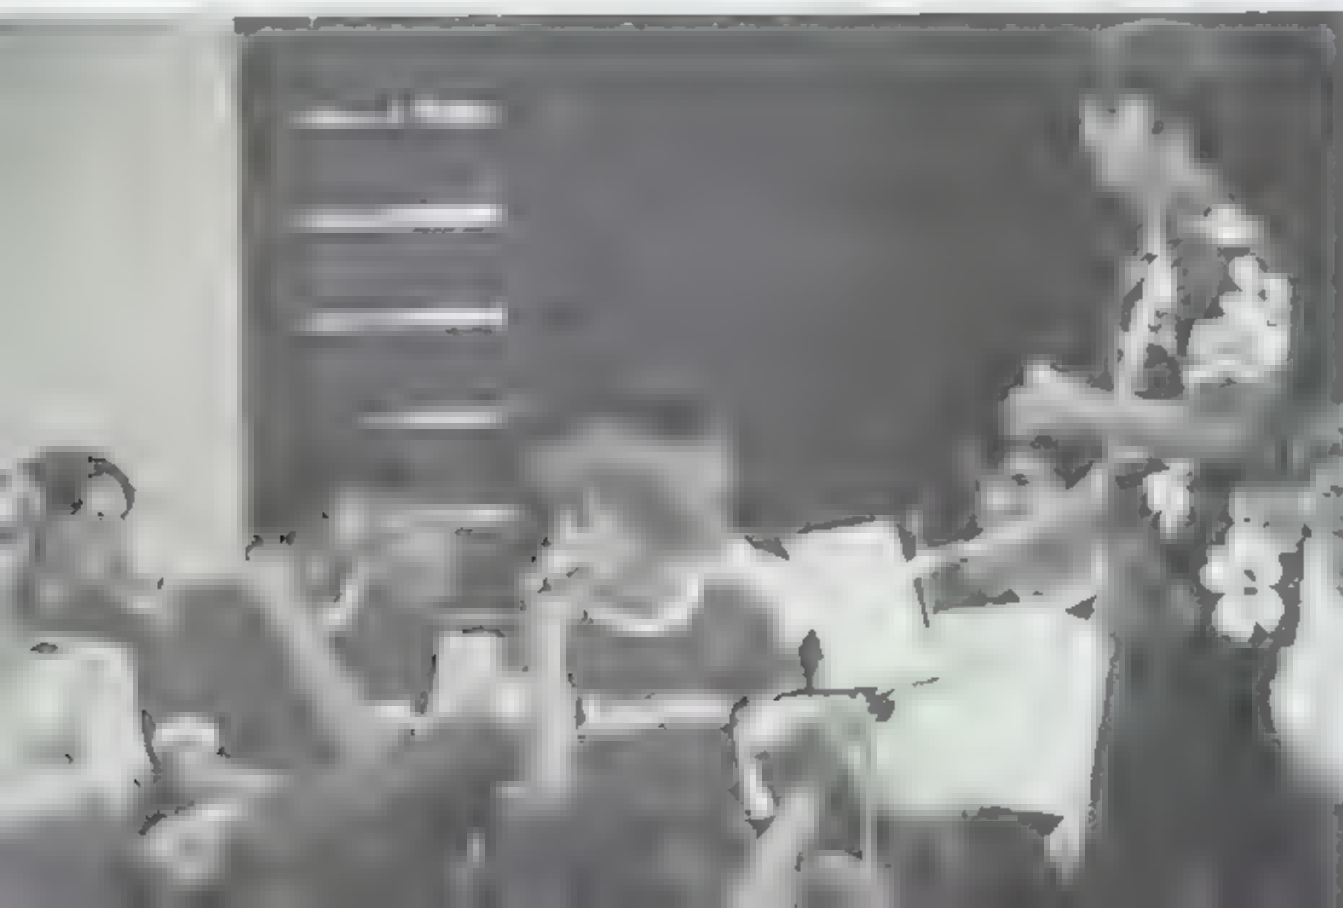

Eddie Arguello was the leading rusher, while Robert Sanchez was the best receiver. Three-sport athlete Donny Vorpahl, with his hard-hitting and alert play, was the outstanding defensive player.

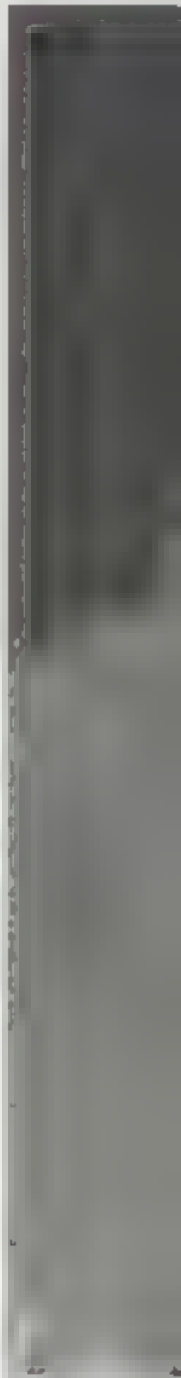

The funniest moment of the whole season occurred when quarterback Danny Herald received a "helmet tatoo" right in the chest from a Lackland lineman. The defender told Herald not to get up, so he didn't budge from the ground. Herald sneaked into the game two or three plays later, after he had recovered.

These players, some varsity, some J.V., next year, will try to improve their record under the direction of new coach, James Rackley.

J.V. & FROSH

SOCCER

This year's soccer team coached by Mr. Felix Martinez did well against several teams and ended with a good city league record.

To the right we see the team mudder. He loves every bit of it, Below we have the team leg. John kicked goals that opposing goalies never saw till the ball hit the back of the net.

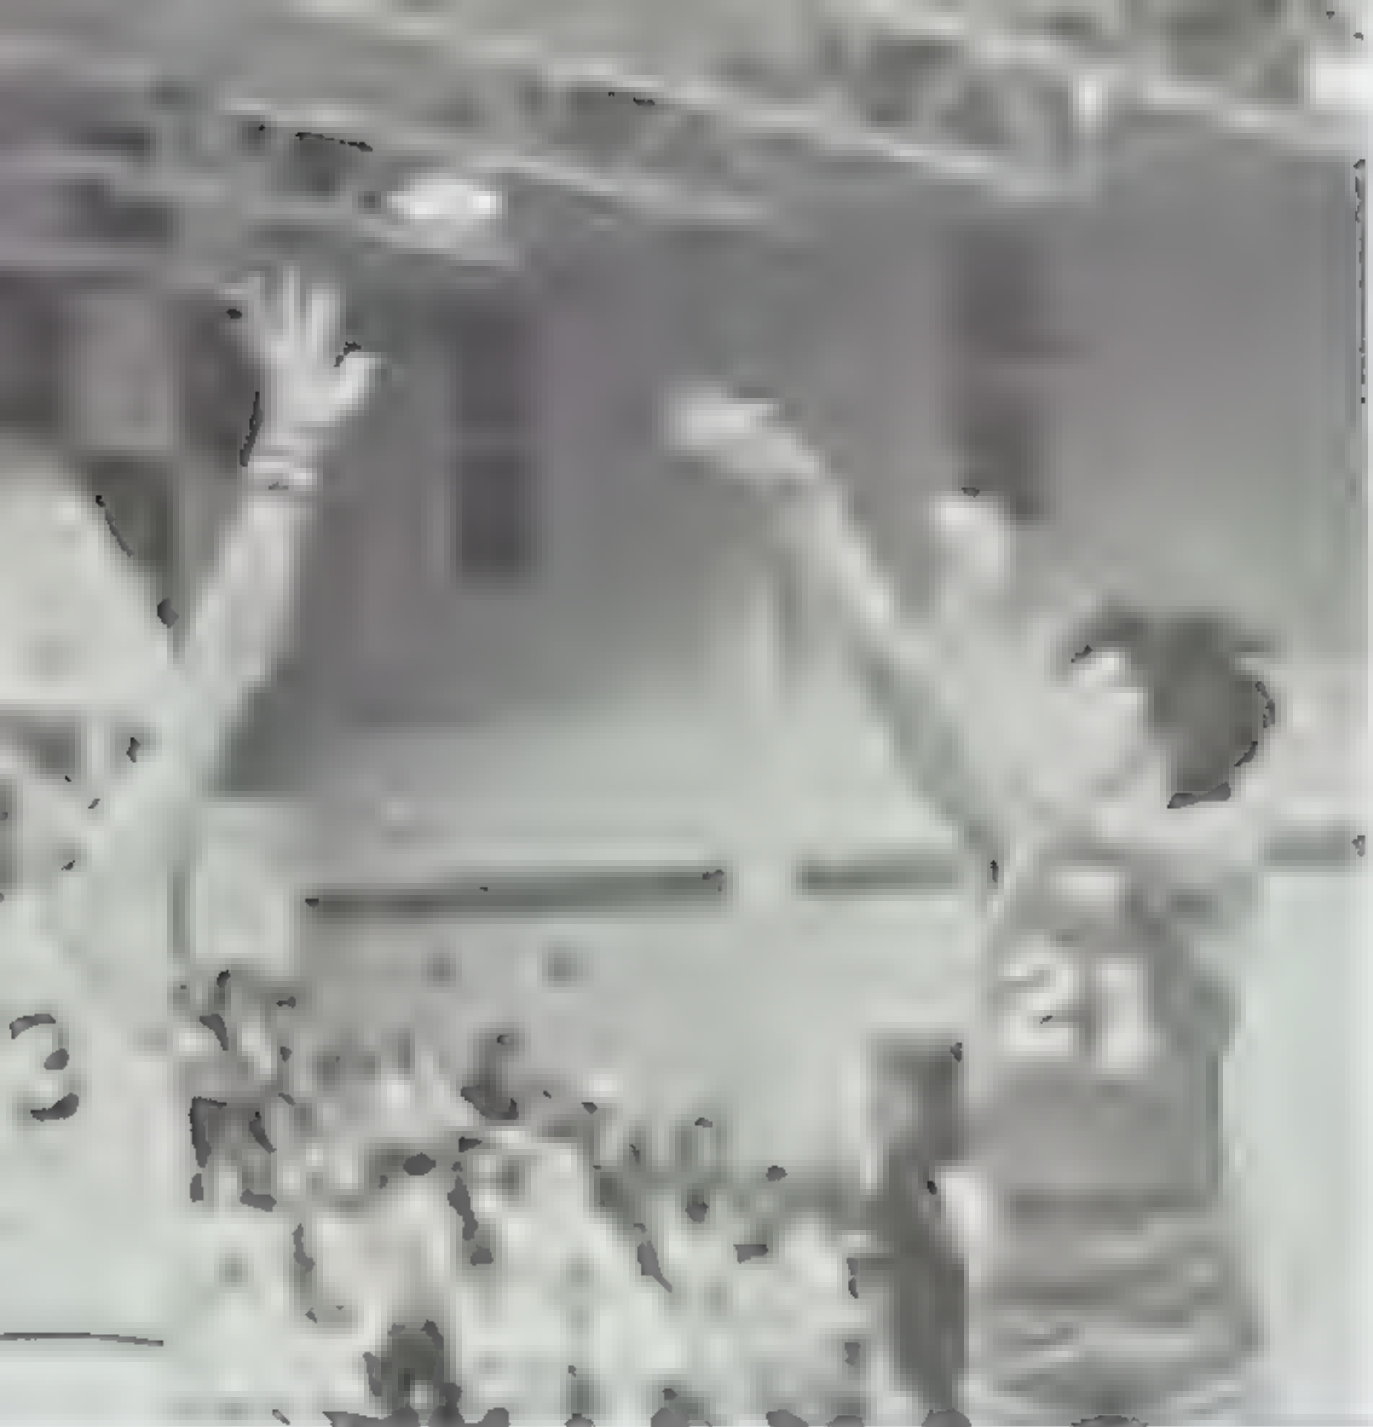

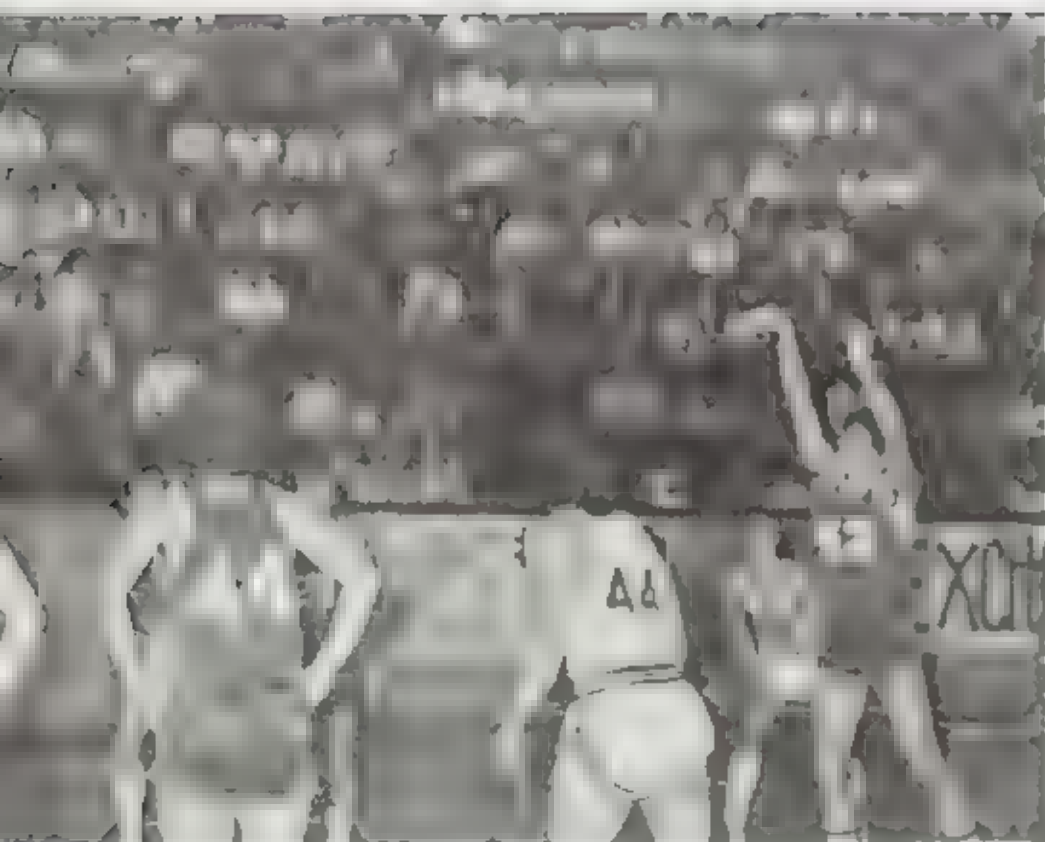

BASKETBALL

The incredible performances of the basketball team surprised and thrilled the fans, considering their play at the start of the season. Let's go back and trace their trip to the championship.

The first couple of weeks were embarrassing as the team took a few shellackings from the AAAA's. When we won the Canyon Tourney Consolation Championship, people hoped things might be turning around, but competition was still rough.

Losing five of the next eight ball games was not easy to take. Not finishing well at Southside meant that changes were needed, and the coaches knew it.

So during the Christmas holidays some new plays were put into the offense. Sickness and other excuses caused practices to be short-handed, and, because of this, they dropped two more ball games.

The New Year came with everybody back working, and the team started jelling. An overtime victory at Randolph and a convincing win against Cole boosted spirits heading into district.

THE "COMEBACK KIDS" HAVE GOOD SEASON

With St. Gerard sitting on a 15 point halftime lead, the crowd became noisy and the players hot. The second half started the good times as the Apaches came out three points up at the final buzzer.

Antonian erased another half time lead. This one, an eight point margin of Central's, by showing aggressive defense and patiently running plays.

St. Gerard put the district in a four-way tie with a victory over the Apaches.

Steve Trevino stole two passes in the final 13 seconds, made a layup, and passed to Squilla for one with five seconds left for a 68-66 win.

The Buttons blew a 12-point fourth quarter lead to the patented catch-up play of the Apaches, who now shared first with the Royals.

Sole possession of first place was taken by Big Red as they made up an 11-point deficit and came out ahead. A crucial event happened, however, when Jim Michel's injury put him out of play for the year.

Holy Cross was manhandled by Antonian. Roger Gonzalez scored 12 points in the final quarter to lead the most convincing district victory by his team.

Central came out to play a "must" game and tore the Apaches apart in a 30-point slaughter.

Two days later, the two teams played for the district's berth in the play-offs. The "Come-back Kids" outscored the Buttons 15-2 in the final four minutes and a couple of free throws put the game away in the waning seconds.

The Apaches had come from the bottom to become the TCIL 3-AAA Co-Champs.

Facts about the victories and season:

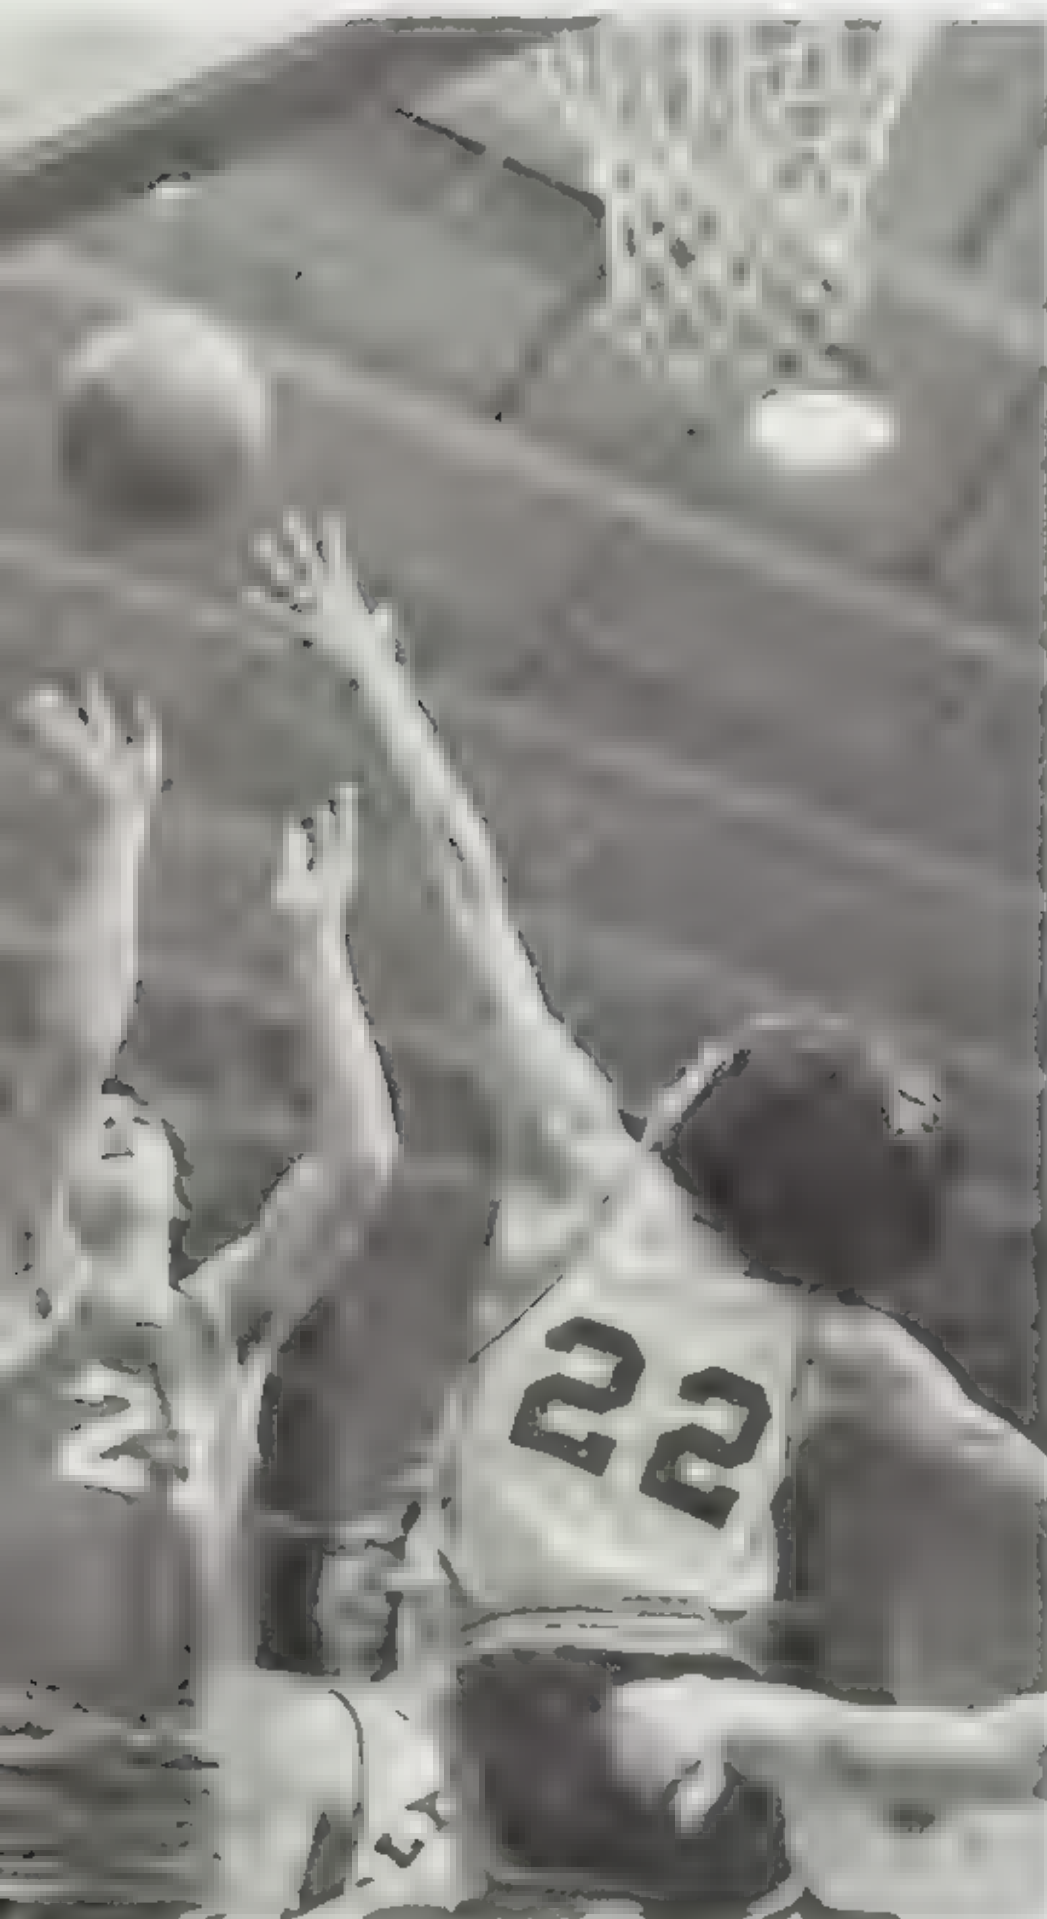

First time in five years Antonian beats Central.

First time in eight years Antonian beats Central twice.

First time Antonian ever wins six district games.

Best record (14-16) since 1968.

Roger Gonzalez--first All-City selection from Antonian.

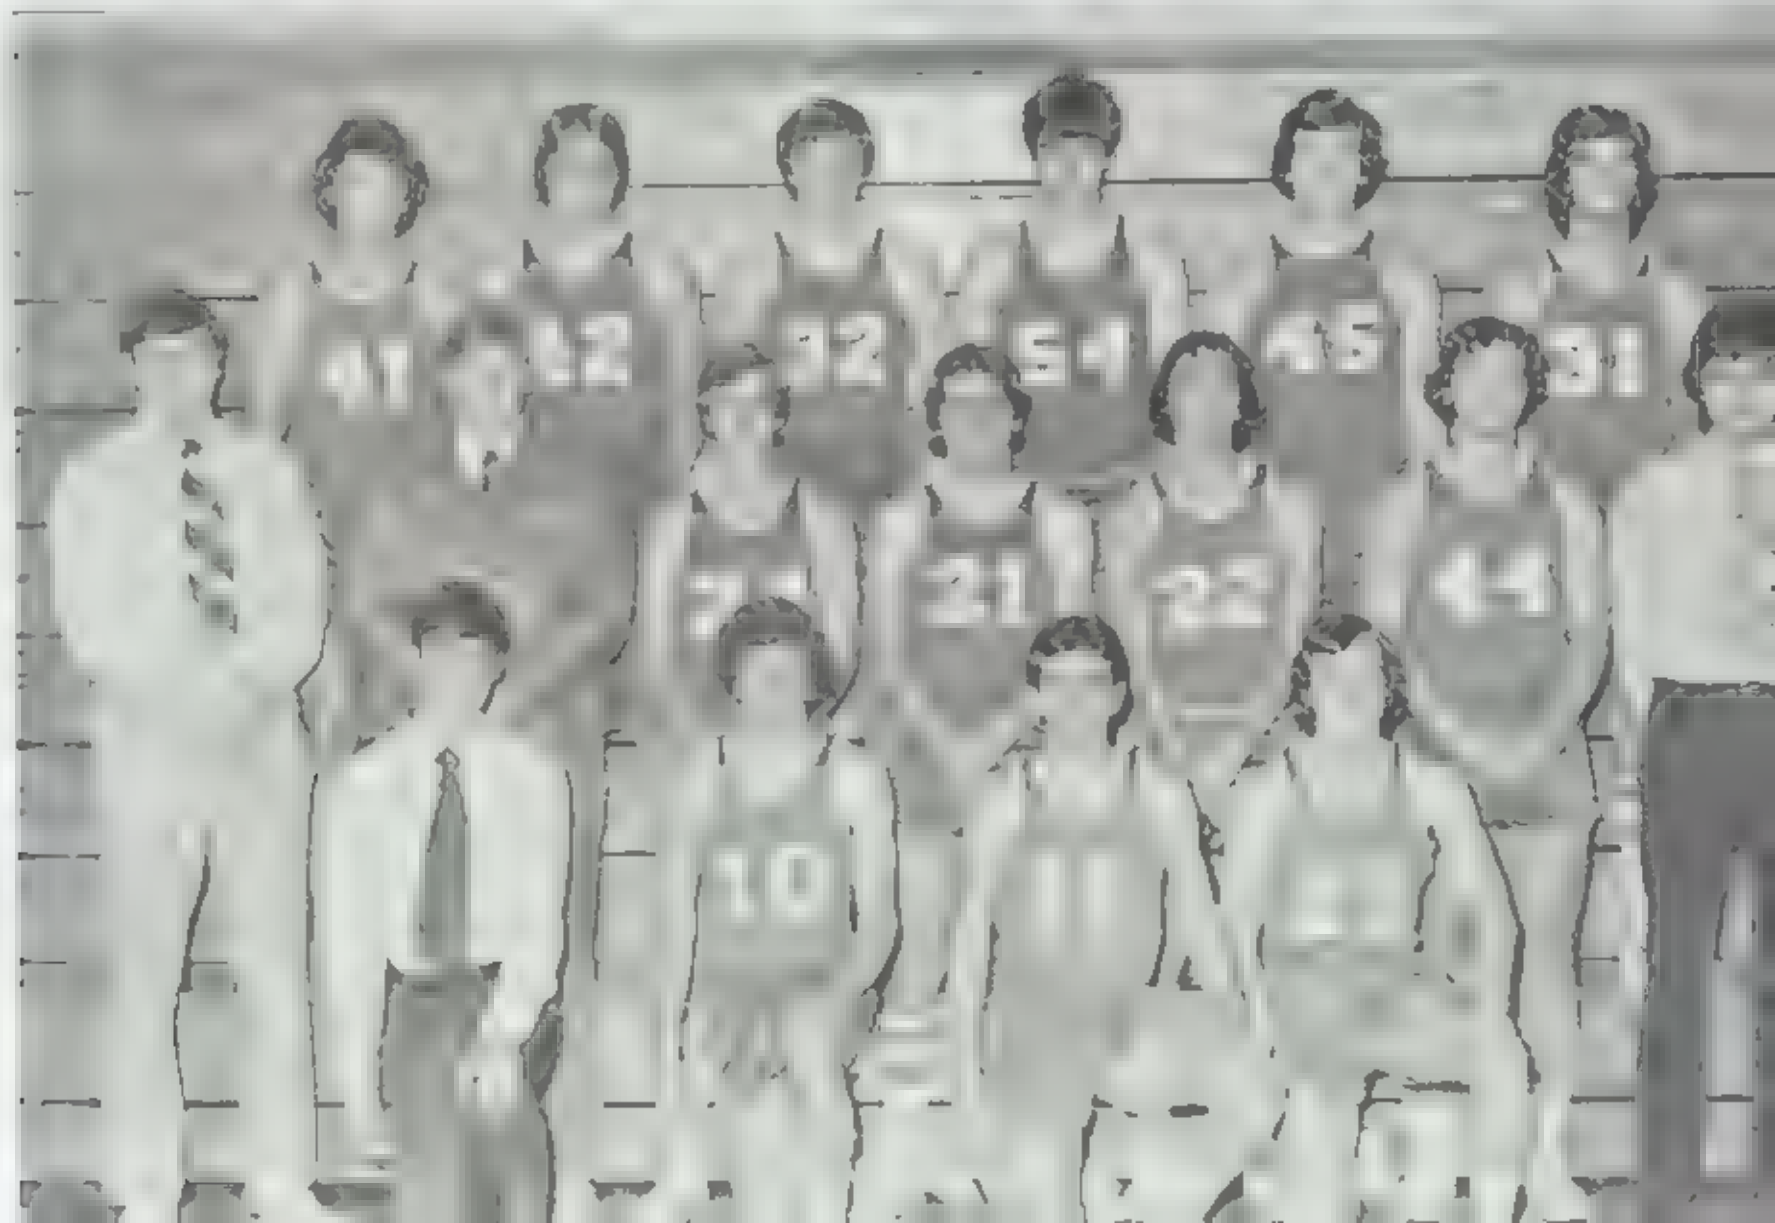

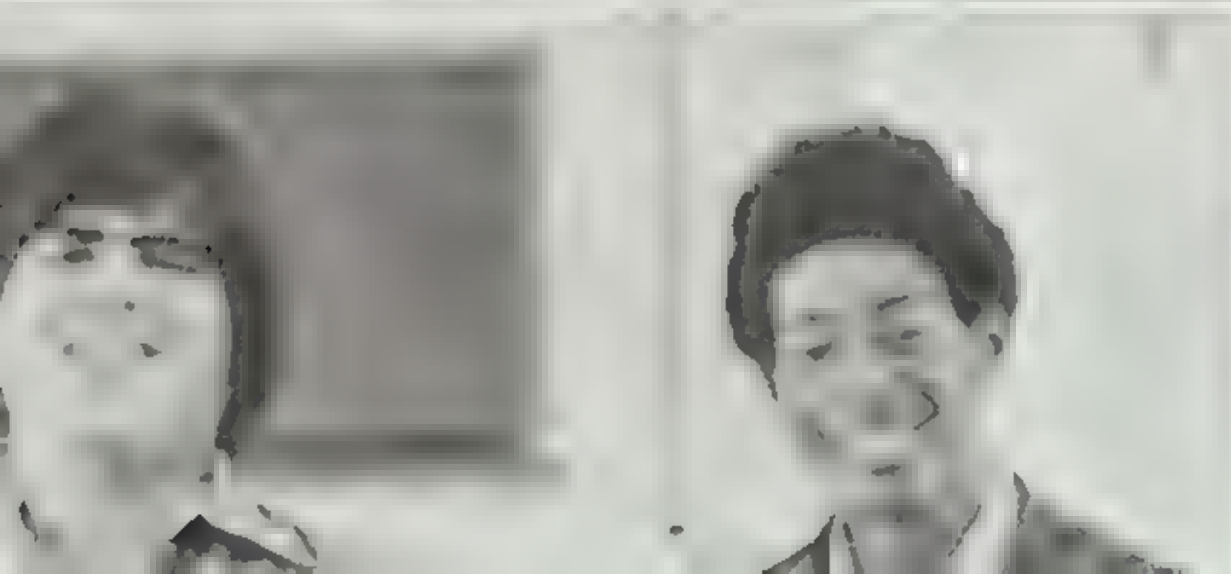

(Above) Dr. Grabo goes for two; (Below) Steve Trevino, Wenyo

BASEBALL

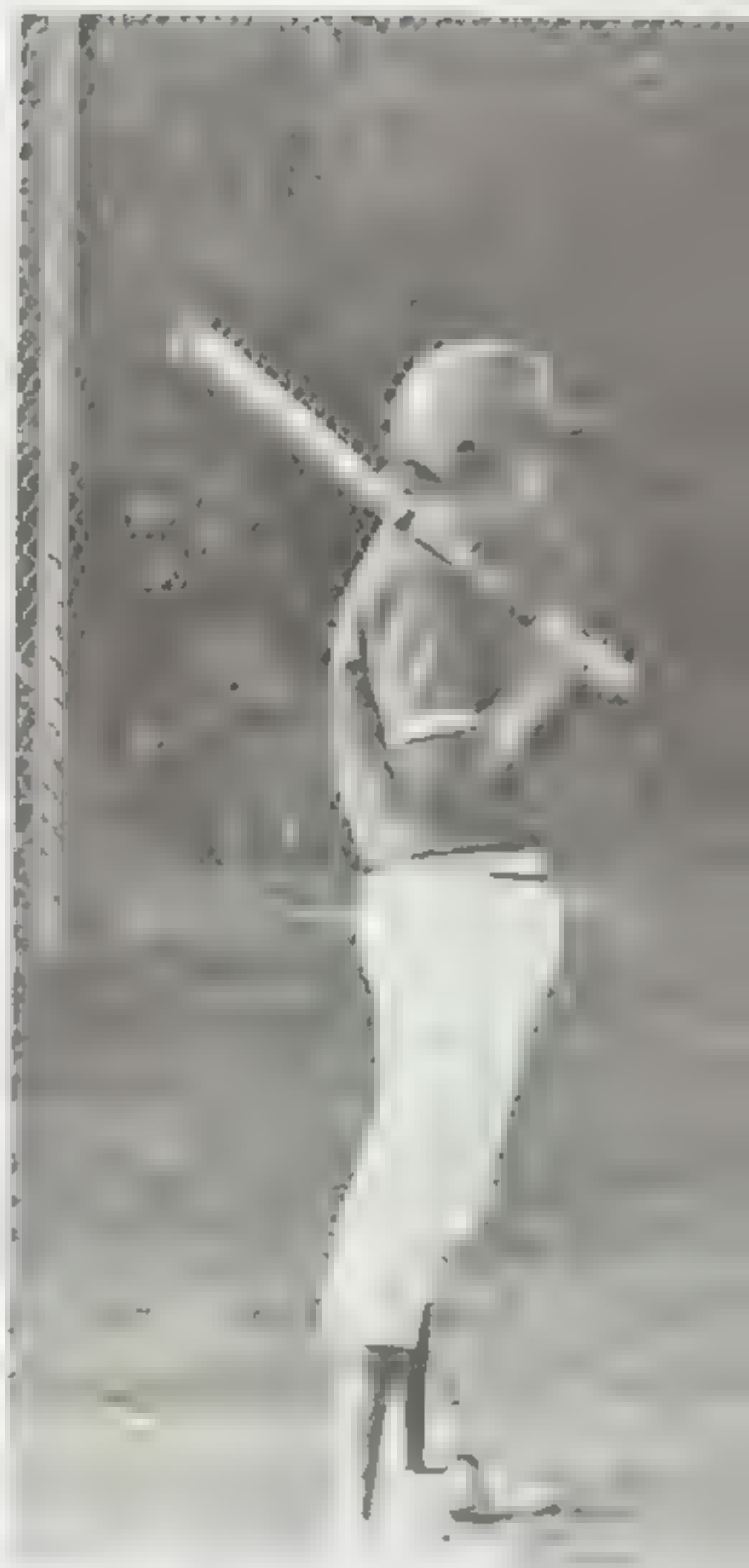

The baseball team was a very talented one, and they placed high when competition was around. They finished second in the Clemens Tourney, district, and state.

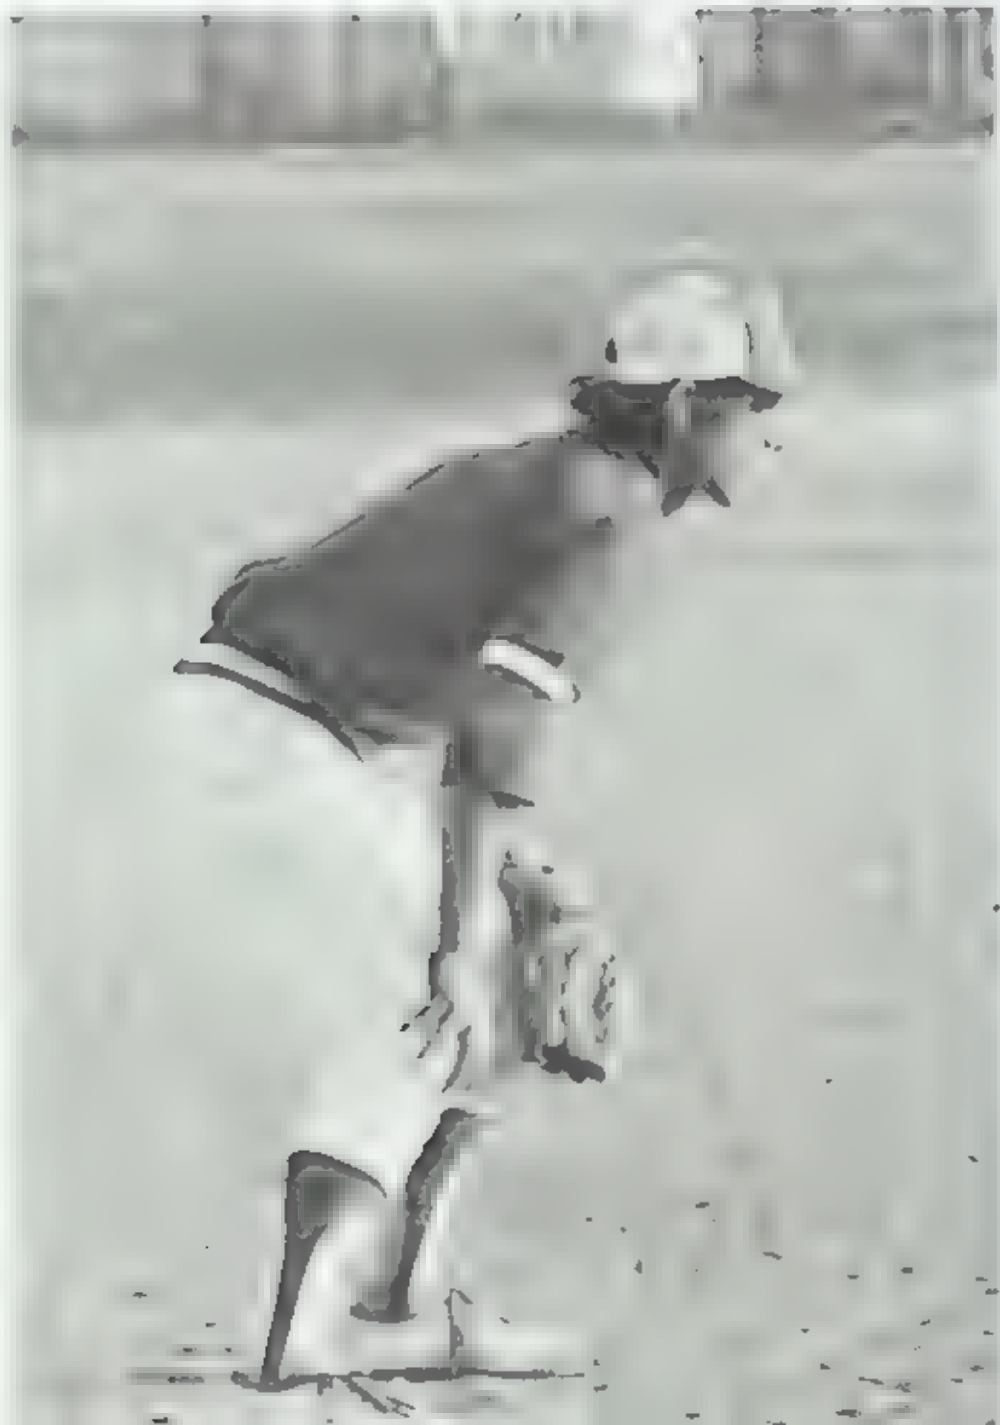

Their talent was reflected in the choices for All-District and All-State Tourney. Roger Gonzalez, Keith Kondoff, Joey Squilla, and Rick Volz were selected to both teams. Chuck Cantoya and Victor Estrada were All-District, while Louis Zamarripa and Terry Kemmy were Honorable Mentions. Gonzalez also made the All-Tourney team at Clemens for his 12-inning pitching duel with Buff Ace Mike Vickers.

This year the Apaches defeated AAAA teams like Jay, Marshall, and Lee; and lost in 12 innings on a suicide squeeze play to AAA power Clemens. State Champ Central was dumped 10-5 in our first meeting with them.

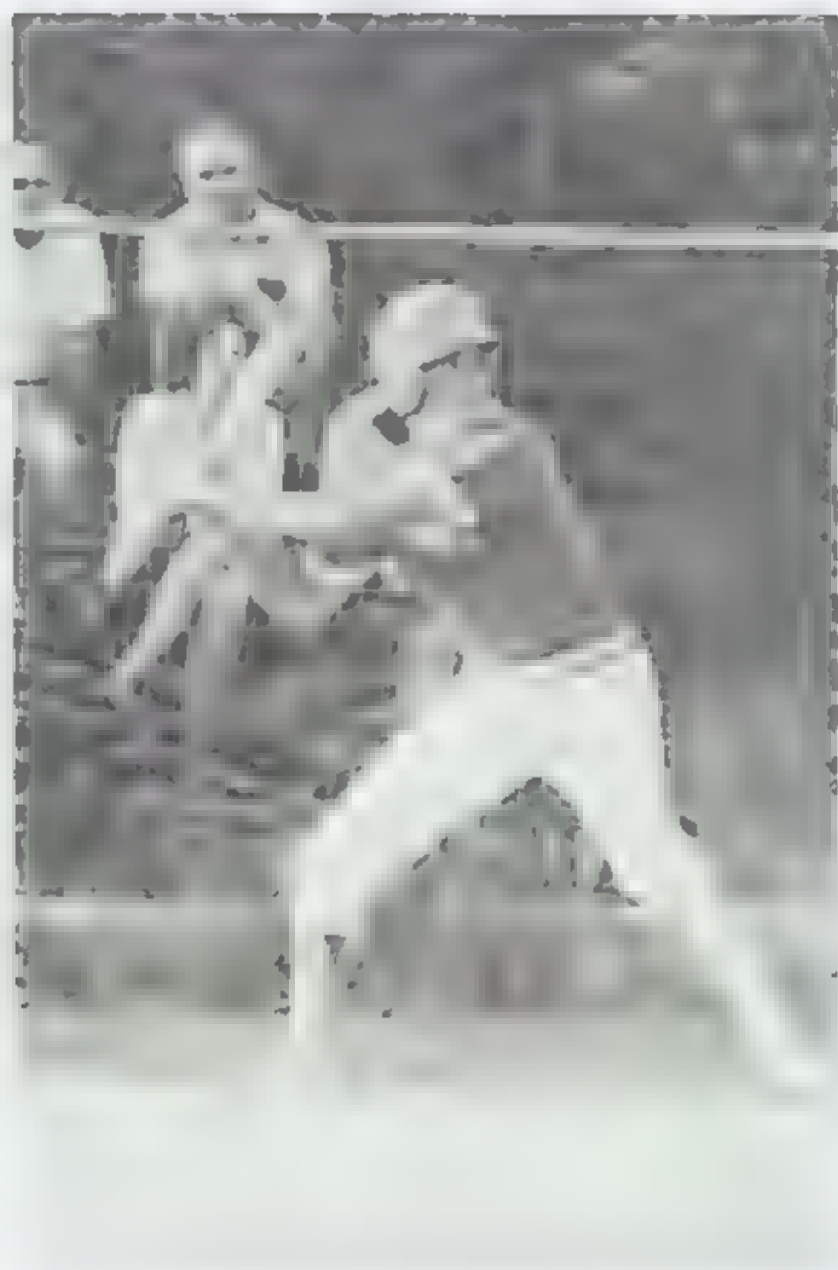

At one point in the season, Antonian had a seven game winning streak, was number seven in the city, and had a two game lead in district. Even though they were the 'wild card', they beat Dallas Jesuit, 18-0, and Houston Strake in the state playoffs.

The successful year ended with a 16-11 slate. Coach Fletcher had his head in the ball games in his last year at Antonian; his varsity record for two seasons was 29-24. His players received district, city, and state honors. Pflugerville here he comes!

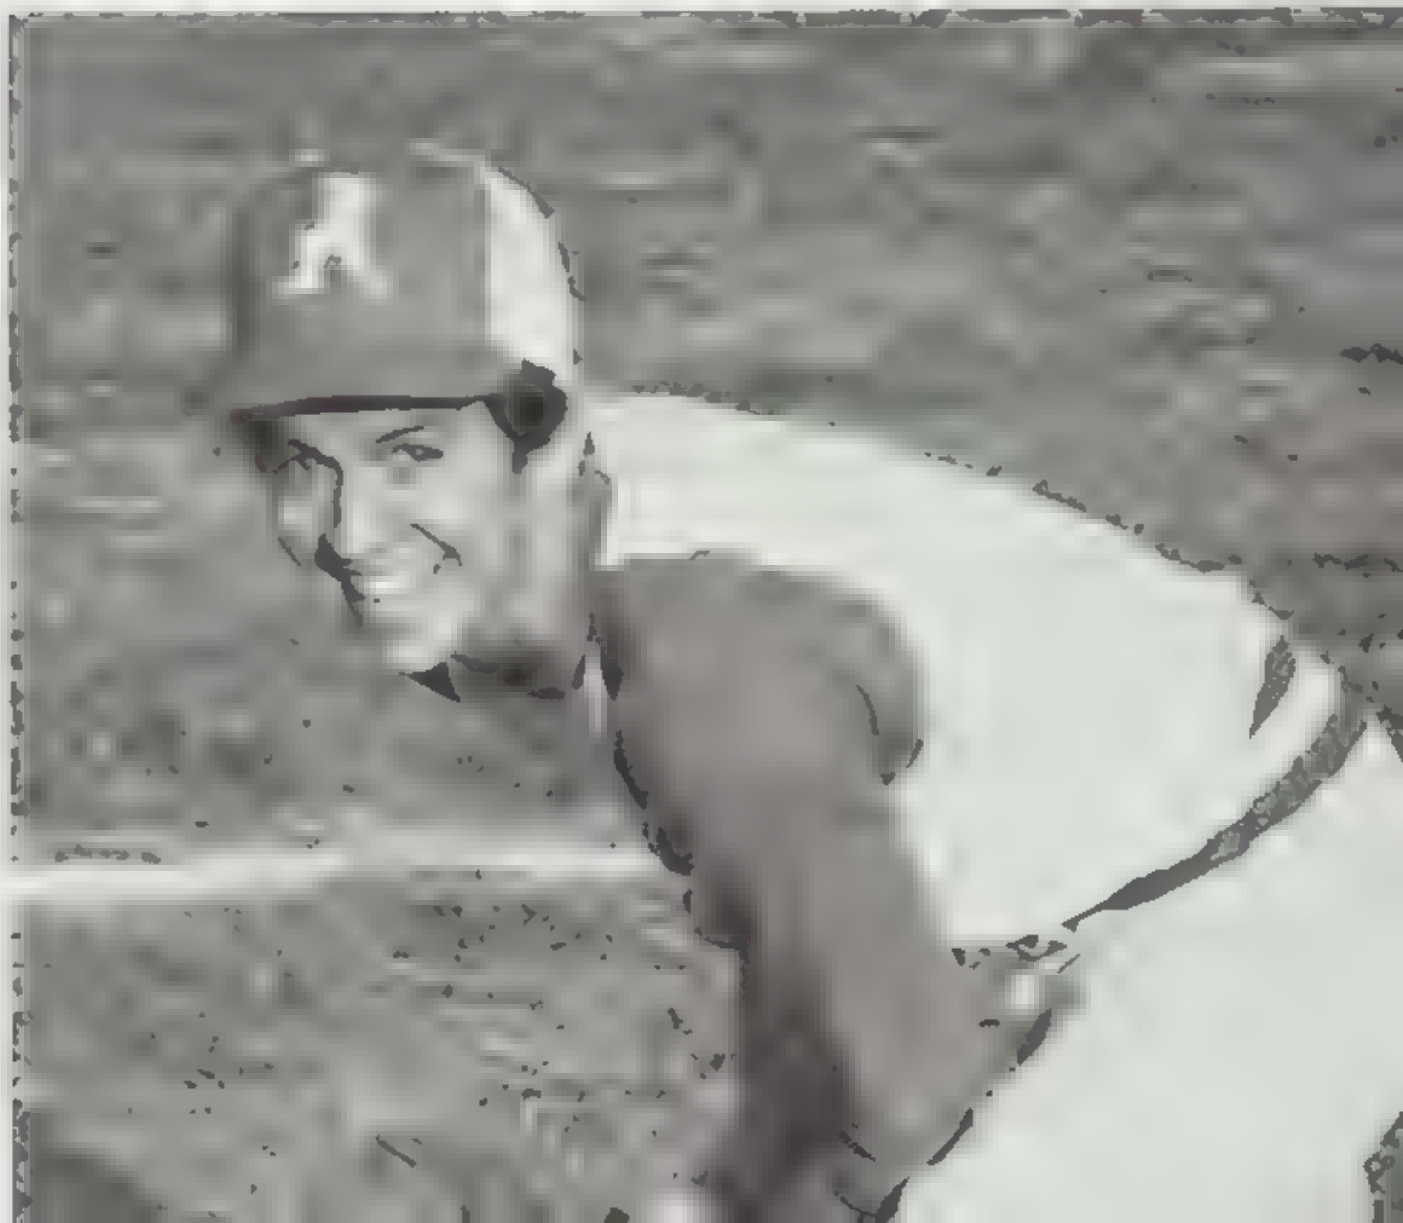

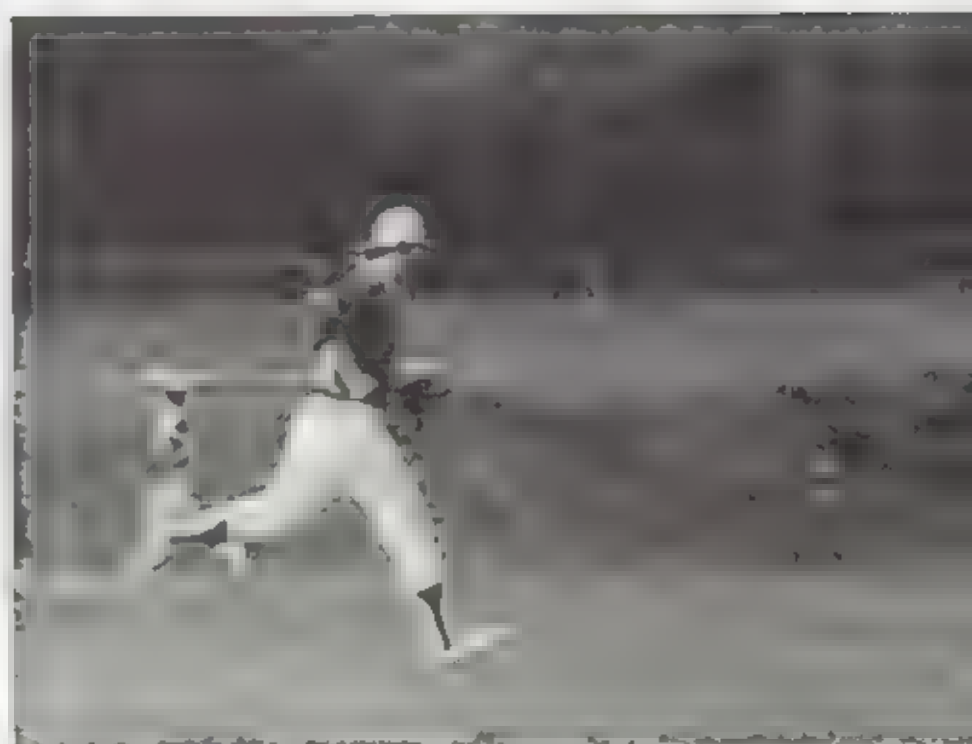

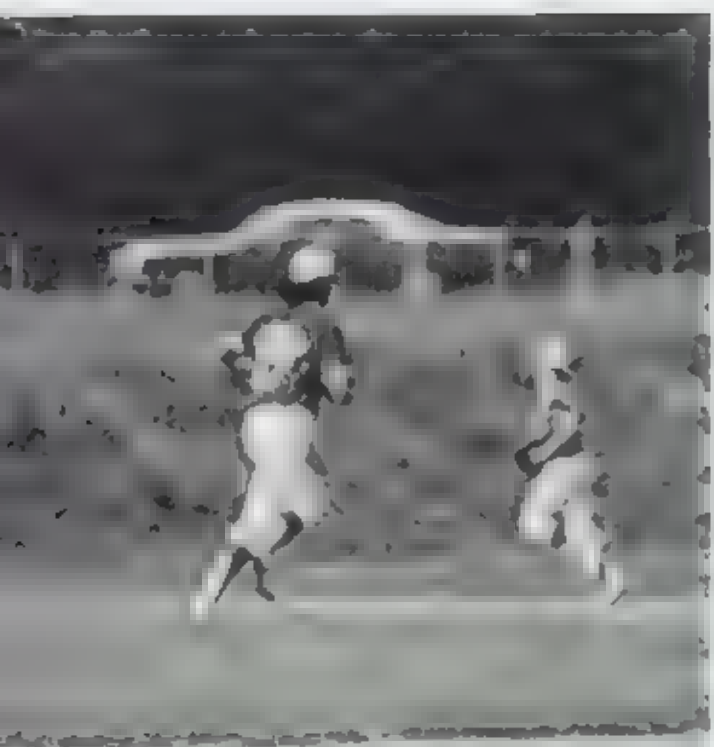

J.V.'S

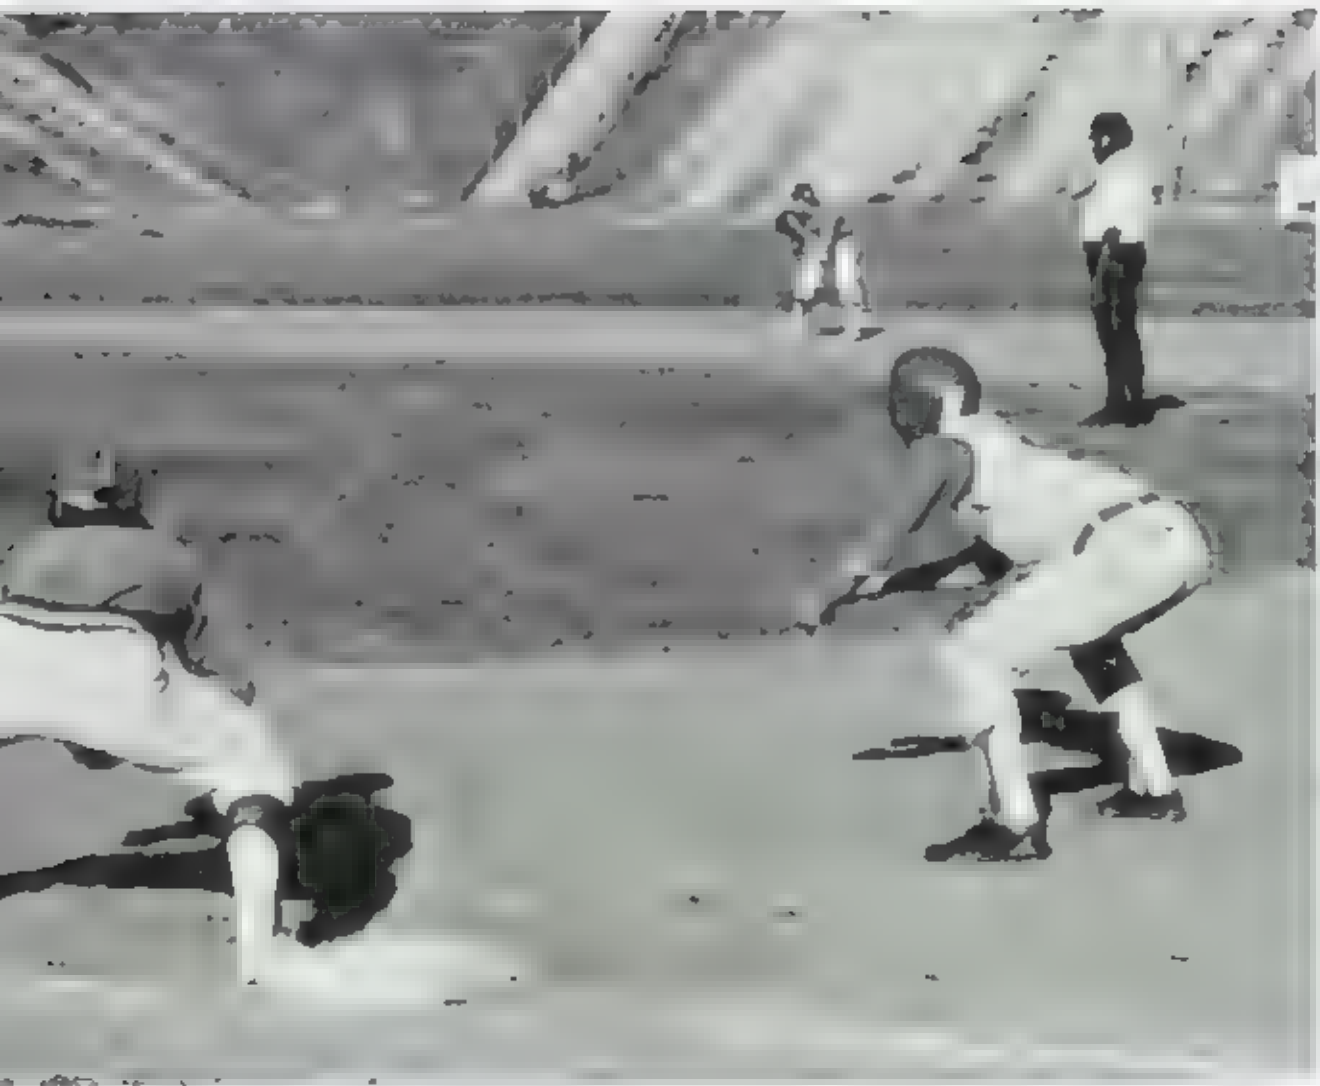

J.V. baseballers did not break .500 last year, but had some good, hard-working players. "Bubba" Moeller was the pitching ace, and designated hitter Jesse Villareal was the best offensive producer. Danny Martinez jacked the ball out of the park at Edgewood, for the team's only home run of the year. Bill Thomas and Andy Horny had the best speed on the bases.

Mike Miller, tabbed as "Mr. Accident" by his teammates, was injured during batting practice when a ball bounced off home plate, hitting him in the lip.

Roman Mendoza, good on both offense and defense, was the outstanding freshman on the team.

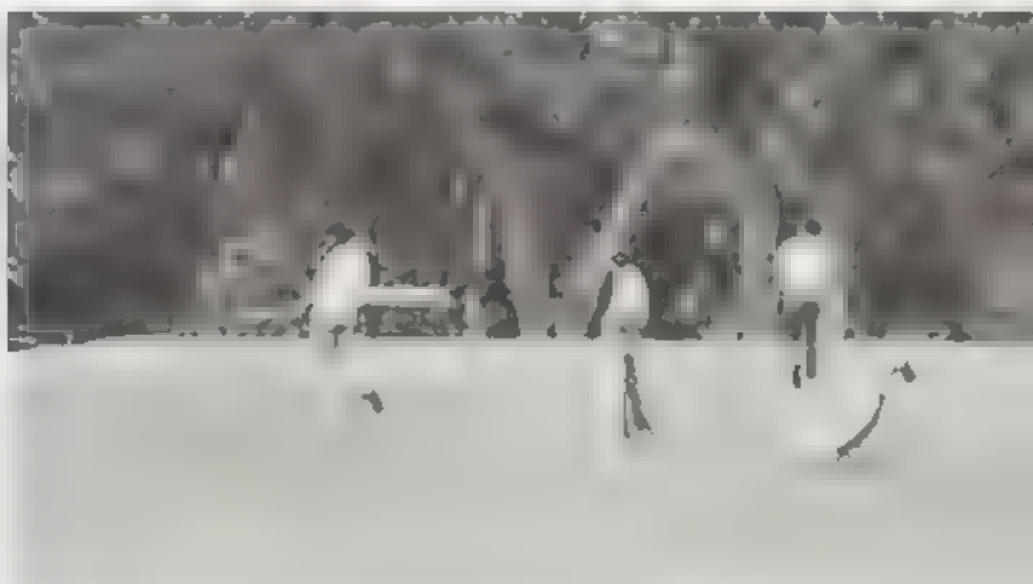

Coach Tony Pesek, in his rookie season, led his team to an 11-12-2 slate.

GOLF

This years golf team consisted of an all nonsenior group. Coach Baldoni led his youngsters to a second place finish in district competition. Bobby Dannimiller won medalist honors by shooting a career 71 on the secnd day of action. The team for the 76 season were Bobby Dannemiller, Mark Retzloff, John Heye, Jimmy Danne-miller, Don Steitle, Eddy Palk, Mike Ryan, P.J. Macaferty. In district Bobby shot a 152 total, Mark shot a 163, John had a 164, Jimmy sliced in a 181, and Don made it to a 179. State tournament was wet and wild as far as the golfers were concerned. The first day was rained out and the second day was, unfortunately, a high scoring one. The lowest round for the team went to Bobby, with a high score of 82.

Antonian's track-men became the only team in district to win the district team title for the third consecutive year. They did this by pounding their opponents with 150 pts., outdistancing runner-up Holy Cross with 114. Central's button-heads had 114, St. G's had 91.

Our thin-clads took 1st place in seven out of fourteen events. Jim Michel took the high and intermediate hurdles with times of 14.8 & 40.7 and jumped 22'0 to win the long-jump. John Hernandez threw the shot 51'0, setting a new school record and Allen "John Denver" Pozzi ran once around the track in a time of 50.6 winning the 440.

TRACK

Brian Engelken, Allen Pozzi, Henry Valdespino, and Mike Morris won both relays with times of 3.26.8 and 43.2. Dicky Rendon placed 2nd in the pole-vault, Stuart Hare took 4th place in the 100 yd. dash. Rudy Carrola bounced to 2nd in the mile while freshman Roger Mendoza, and George Valenzuela placed 4th and 5th respectively.

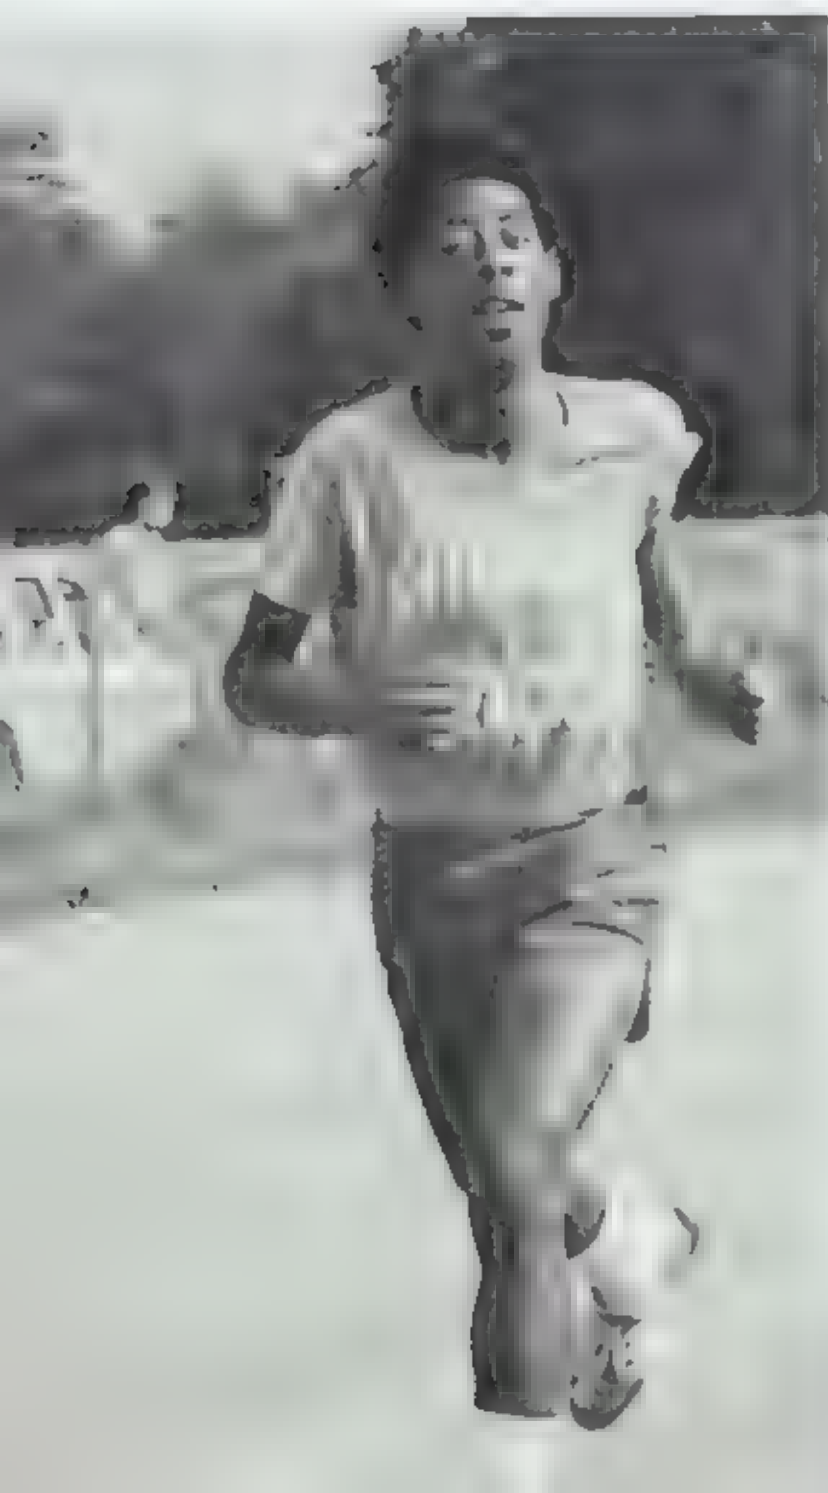

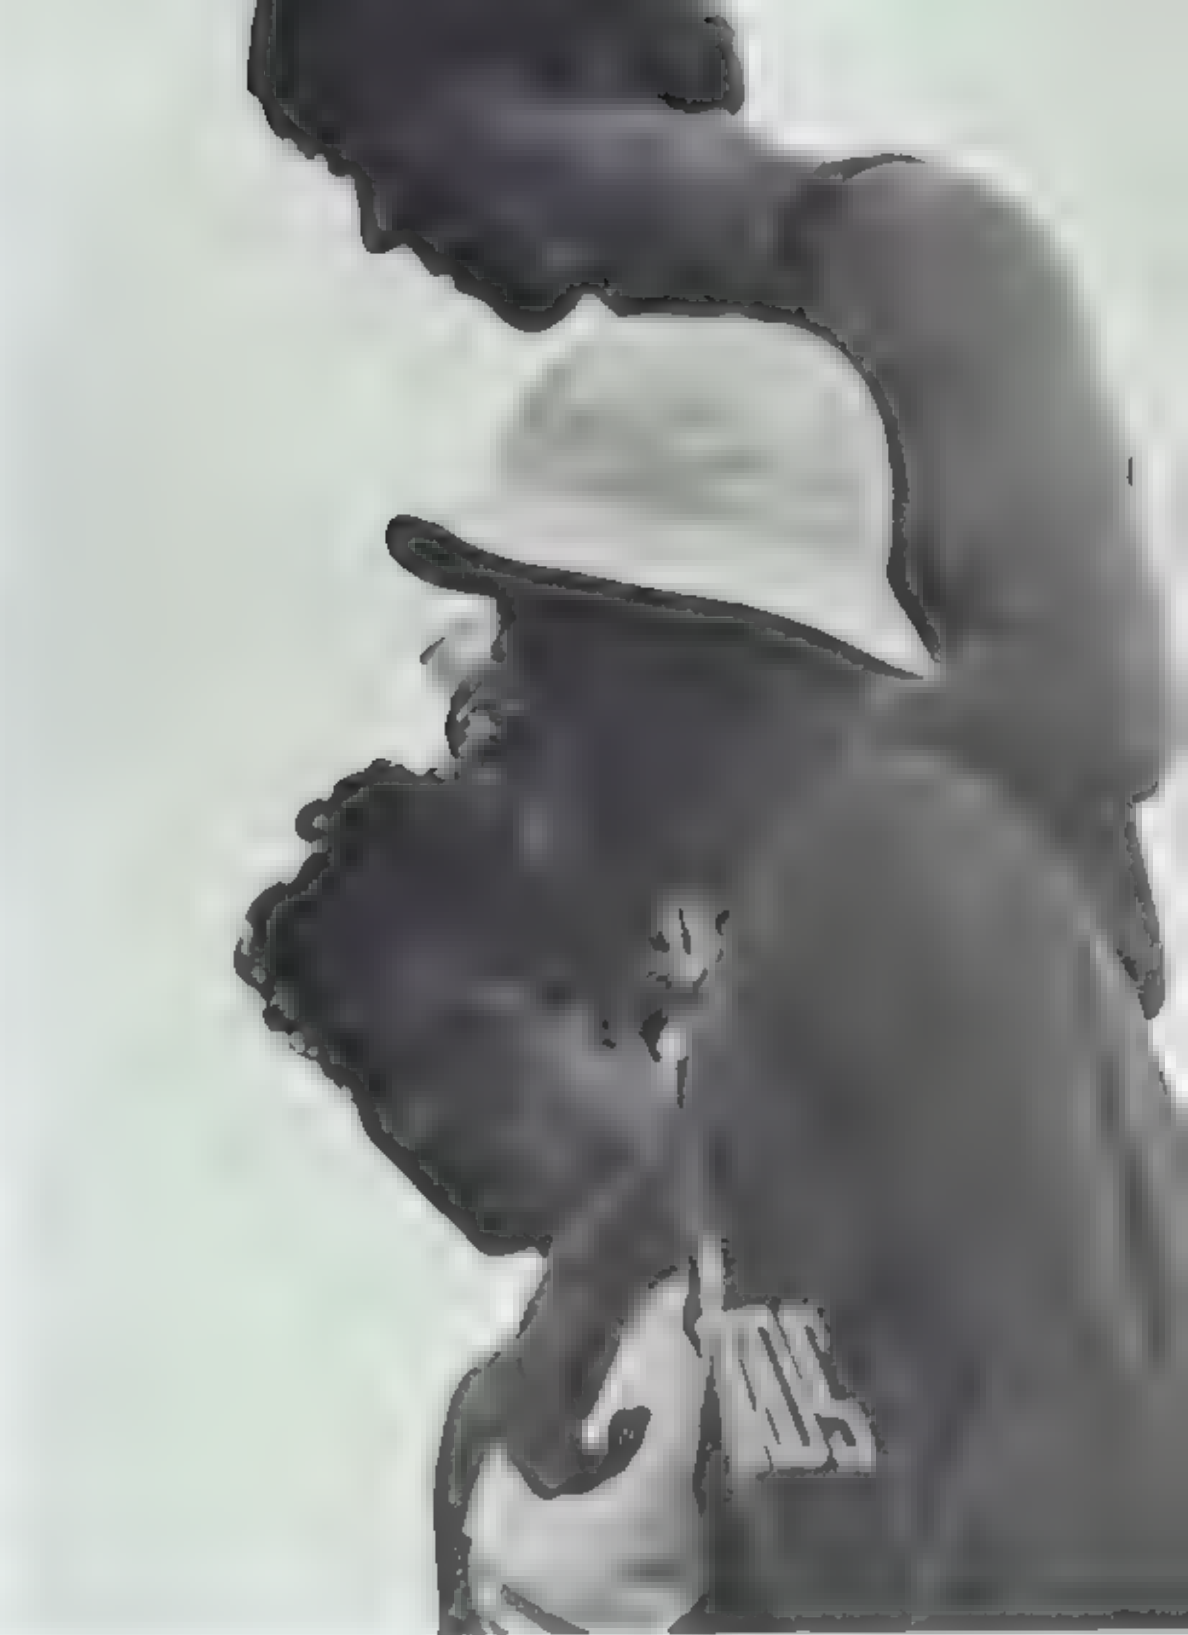

The Apaches took two relay teams to State, along with Rendon, Hernandez, and Michel. They grabbed four 2nd's a 4th, a 5th, and a 6th. The mile relay set a school record of 3.22.1.

Although state meets are rewarding and thrilling, having a coach like Don Hoover is something even more fulfilling. District championships don't just happen, they are produced through hard practice. Coach Hoover knows this and he also knows how the boys he coaches feel. By getting the respect of the guys and putting an extra quality into track that only he can, Coach Hoover will always be one of our most respected coaches and teachers. From all of the seniors, Good Luck Coach Hoover.

The tennis team, headed by Coach Gary Louie, continued their yearly successes with another strong season. Finishing with a dual match record of 14-4-2, the netters exhibited their consistency and will to win.

This year the team again controlled district play. A.B. Cruz captured the singles title with a victory over teammate Benji Mills. The Mark Rodriguez-Andy Garza tandem took second in the doubles, while Mike Rodrigues and Francis Hymel won consolation.

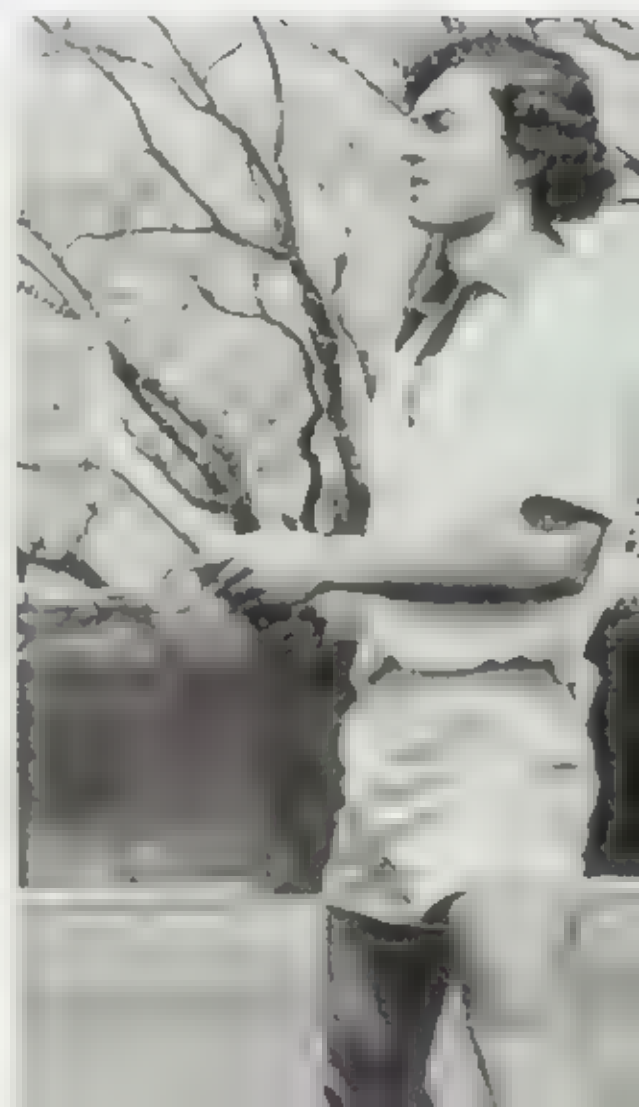

Charlie Patterson advanced to the singles consolation final but lost in three sets on a tie-breaker.

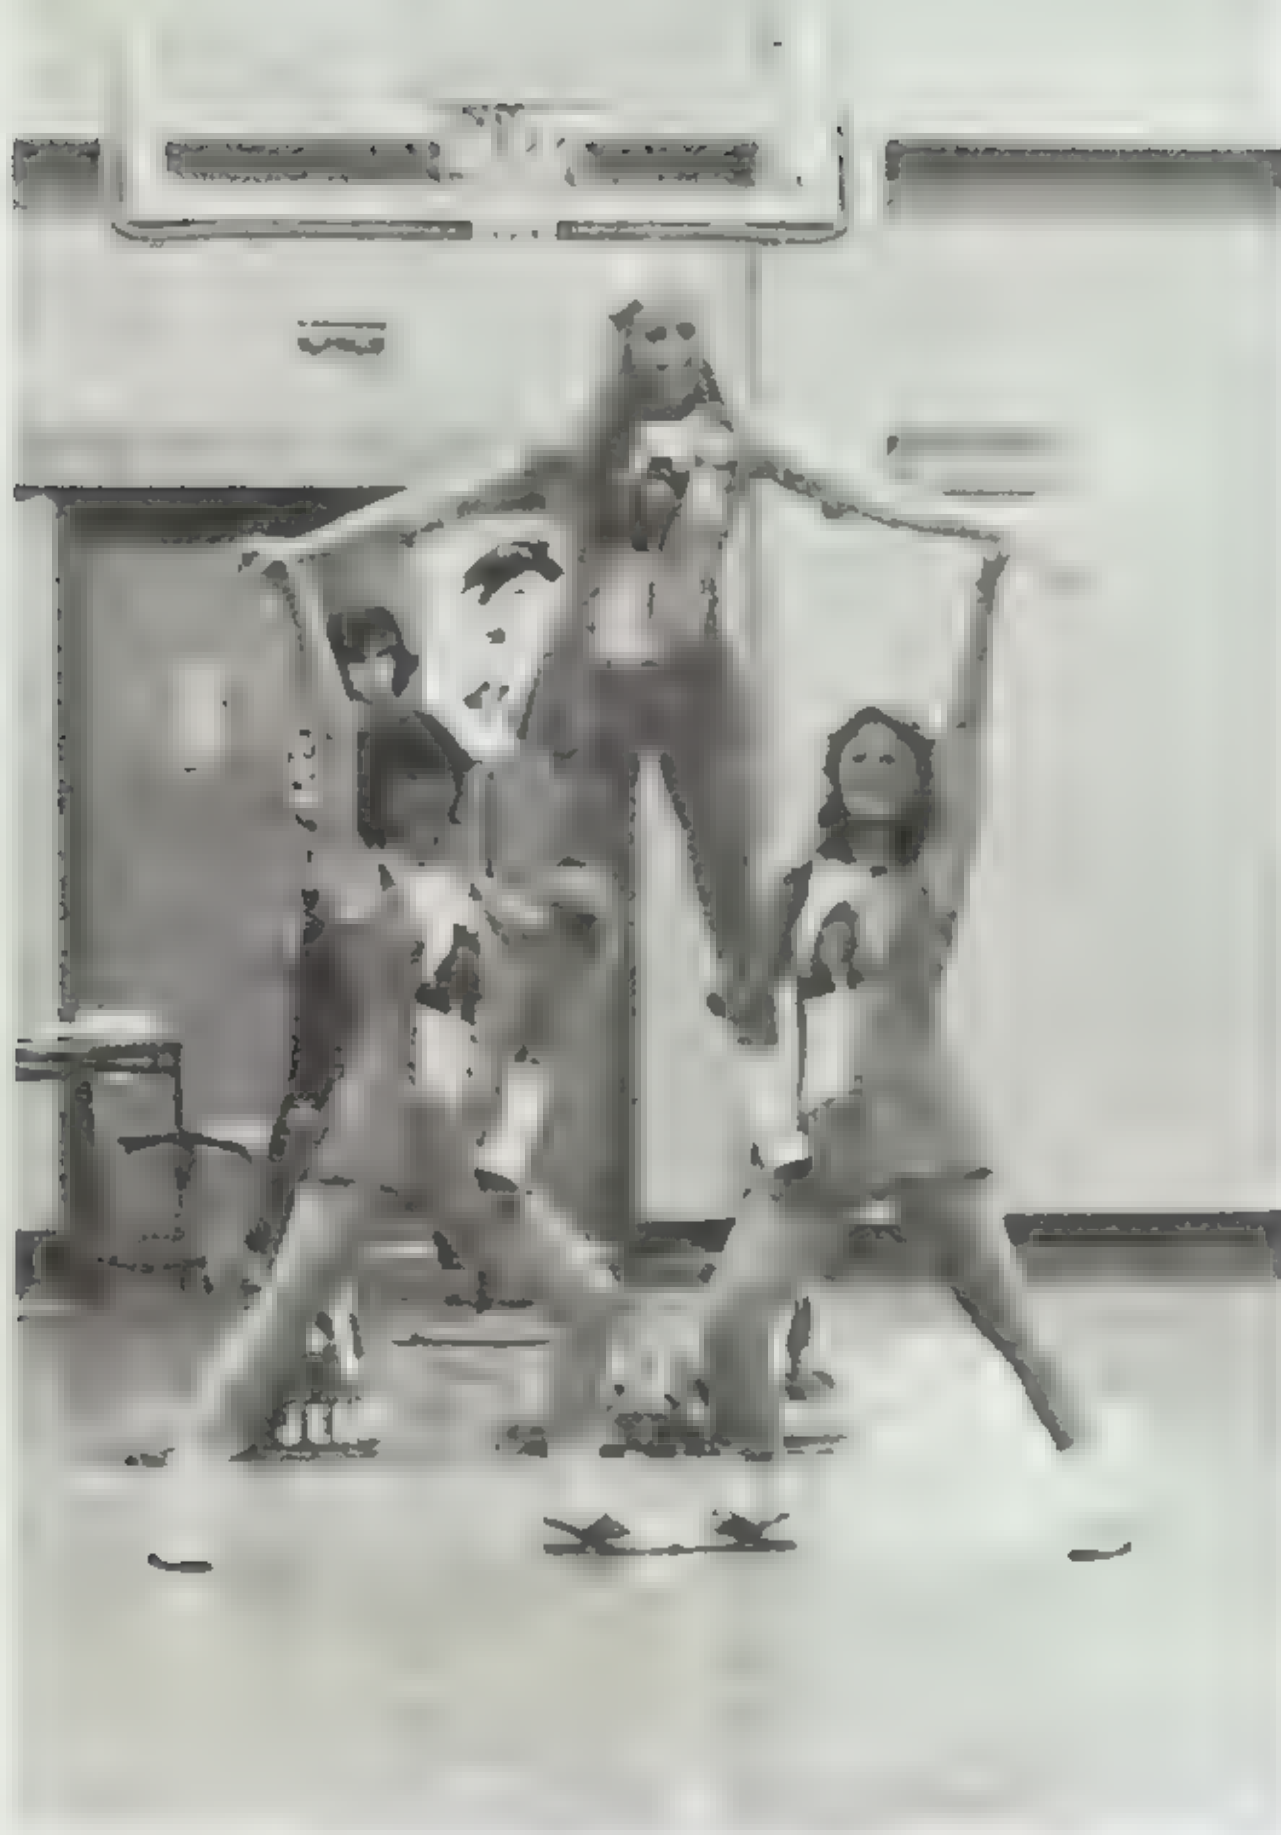

Other members of the district championship team were seniors Mark Urbaneck, Phil Tschoepe, and Henry Clarkson.

TENNIS

The '75-'76 Antonian Cheerleaders worked extremely hard at their tasks and displayed the Antonian spirit in various ways. By making spirit boxes, decorating lockers, leading pep rallies and cheers at all the games, and doing stunts they showed a great amount of enthusiasm and pride in what they succeeded in doing-- pushing our school spirit up to its limits.

The '75-'76 Varsity squad included Cheryl Zimmermann, Jan Barber, Lisa Lewis (all seniors), Annette Persyn, and Jeanette Flores (juniors).

The Junior Varsity squad was made up of Delfina Perez, Donna Mahan, Tricia Houston, Gloria Zapata, and Jeannette Mendicino.

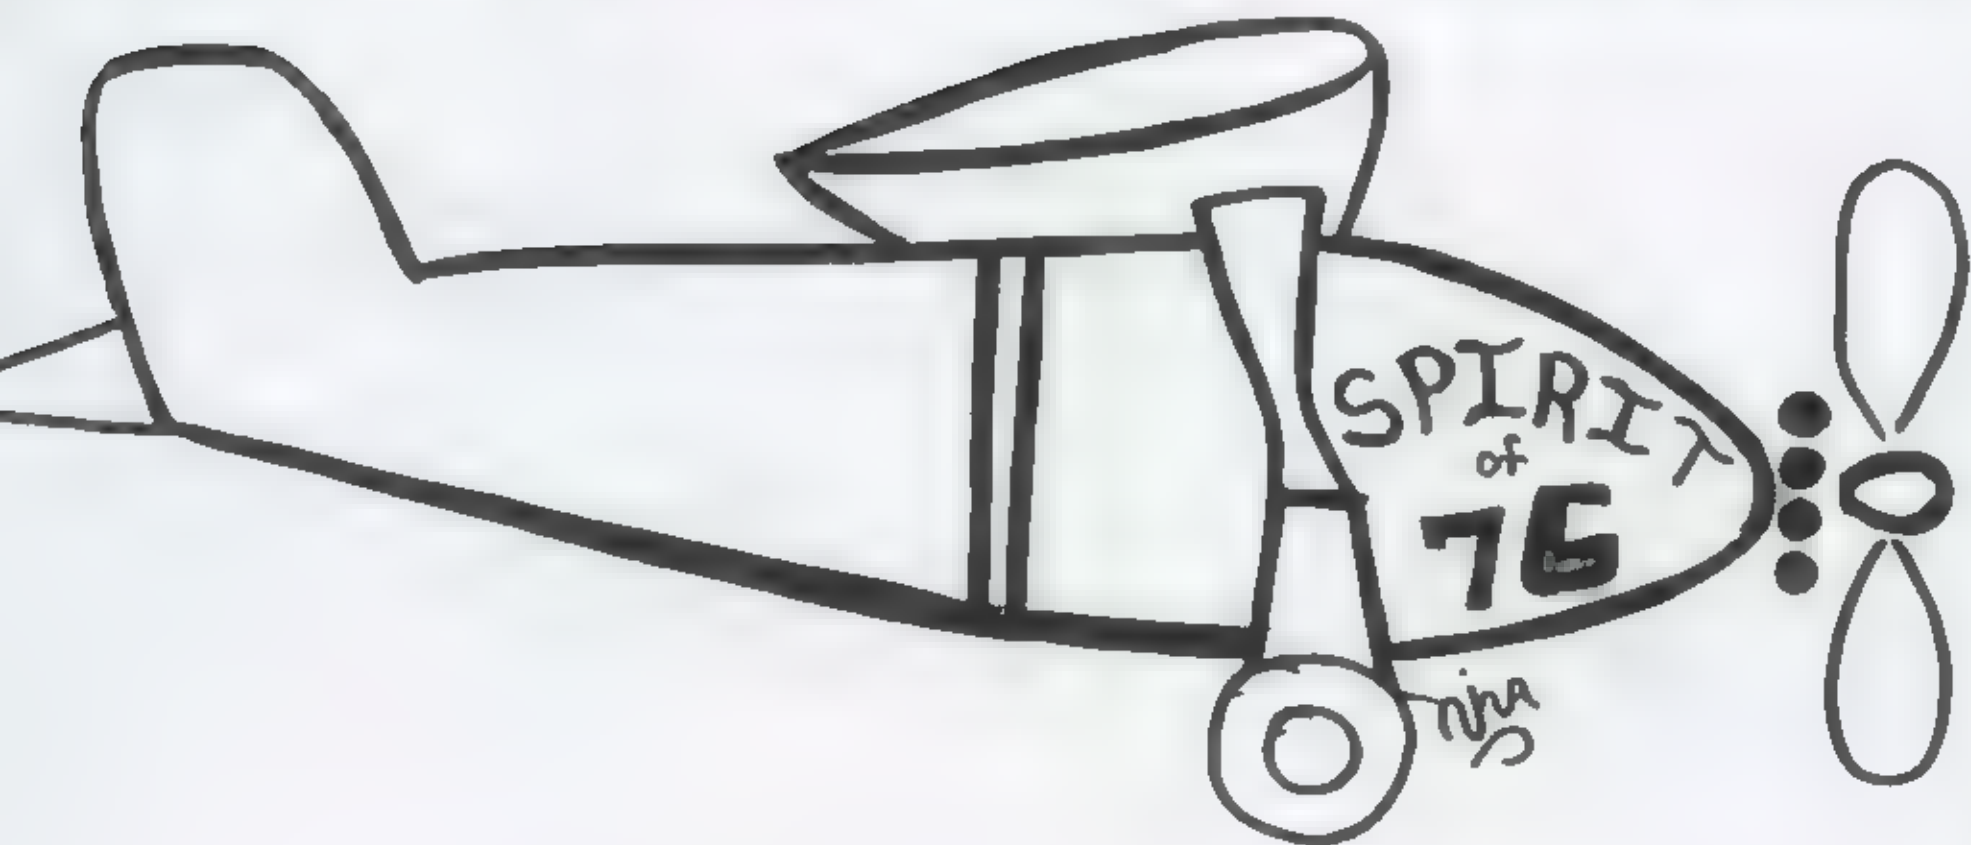

The '76-'77 squad was selected on April 1. It includes Annette Persyn, Donna Mahan, Jeanette Flores, Tricia Houston, and Jeannette Mendicino, Varsity; and Christia Estrada, Lucy Masters, Laura Mahan, Gloria Zapata, and Lisa Armstrong, J.V.

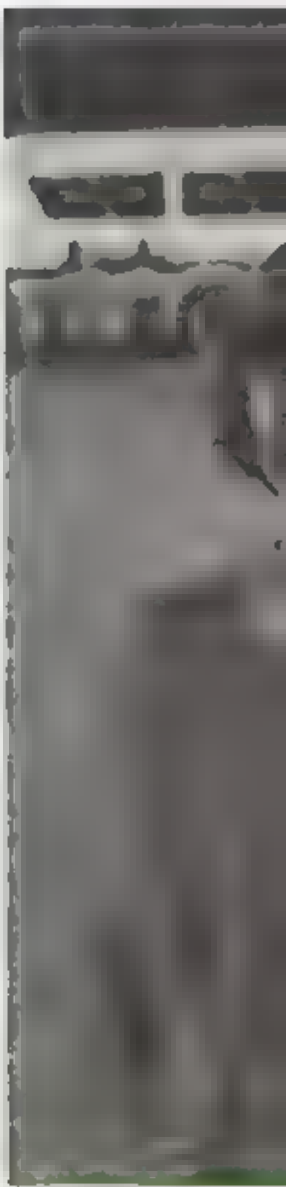

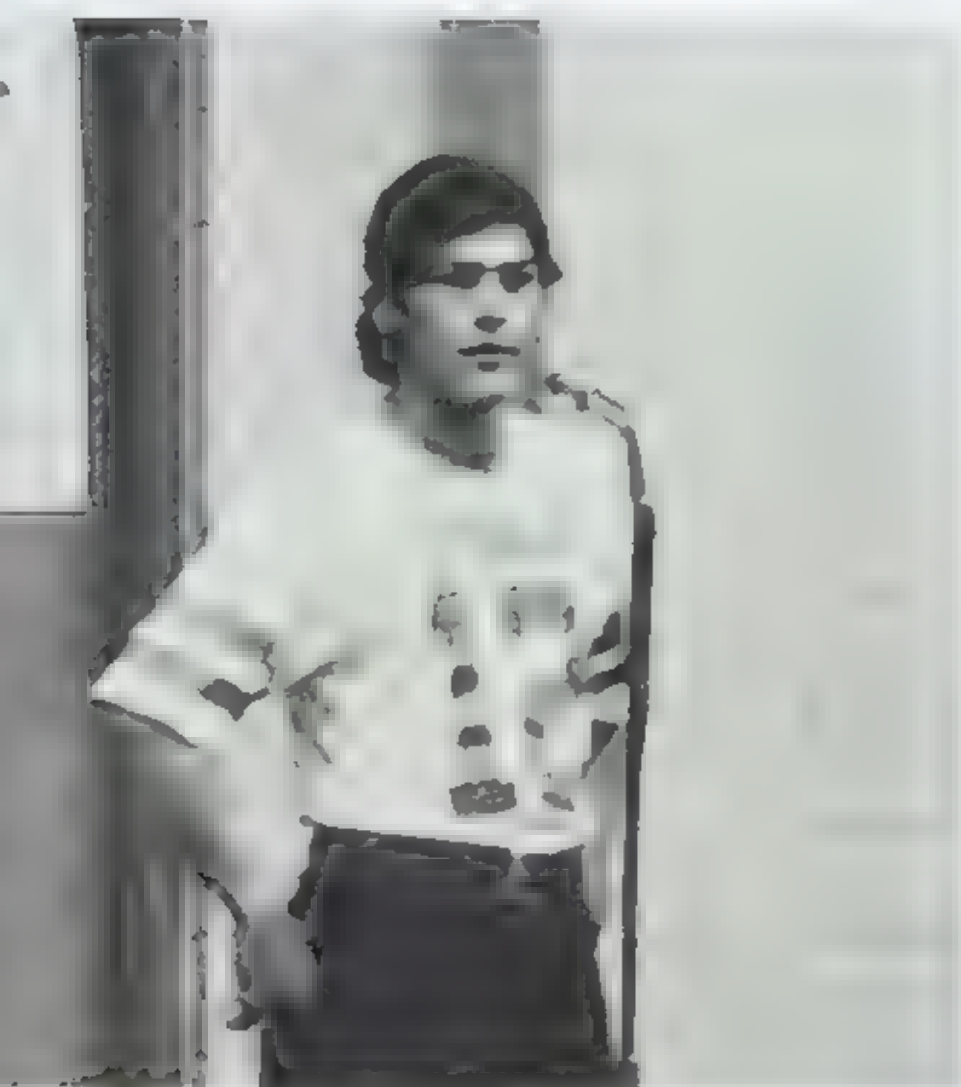

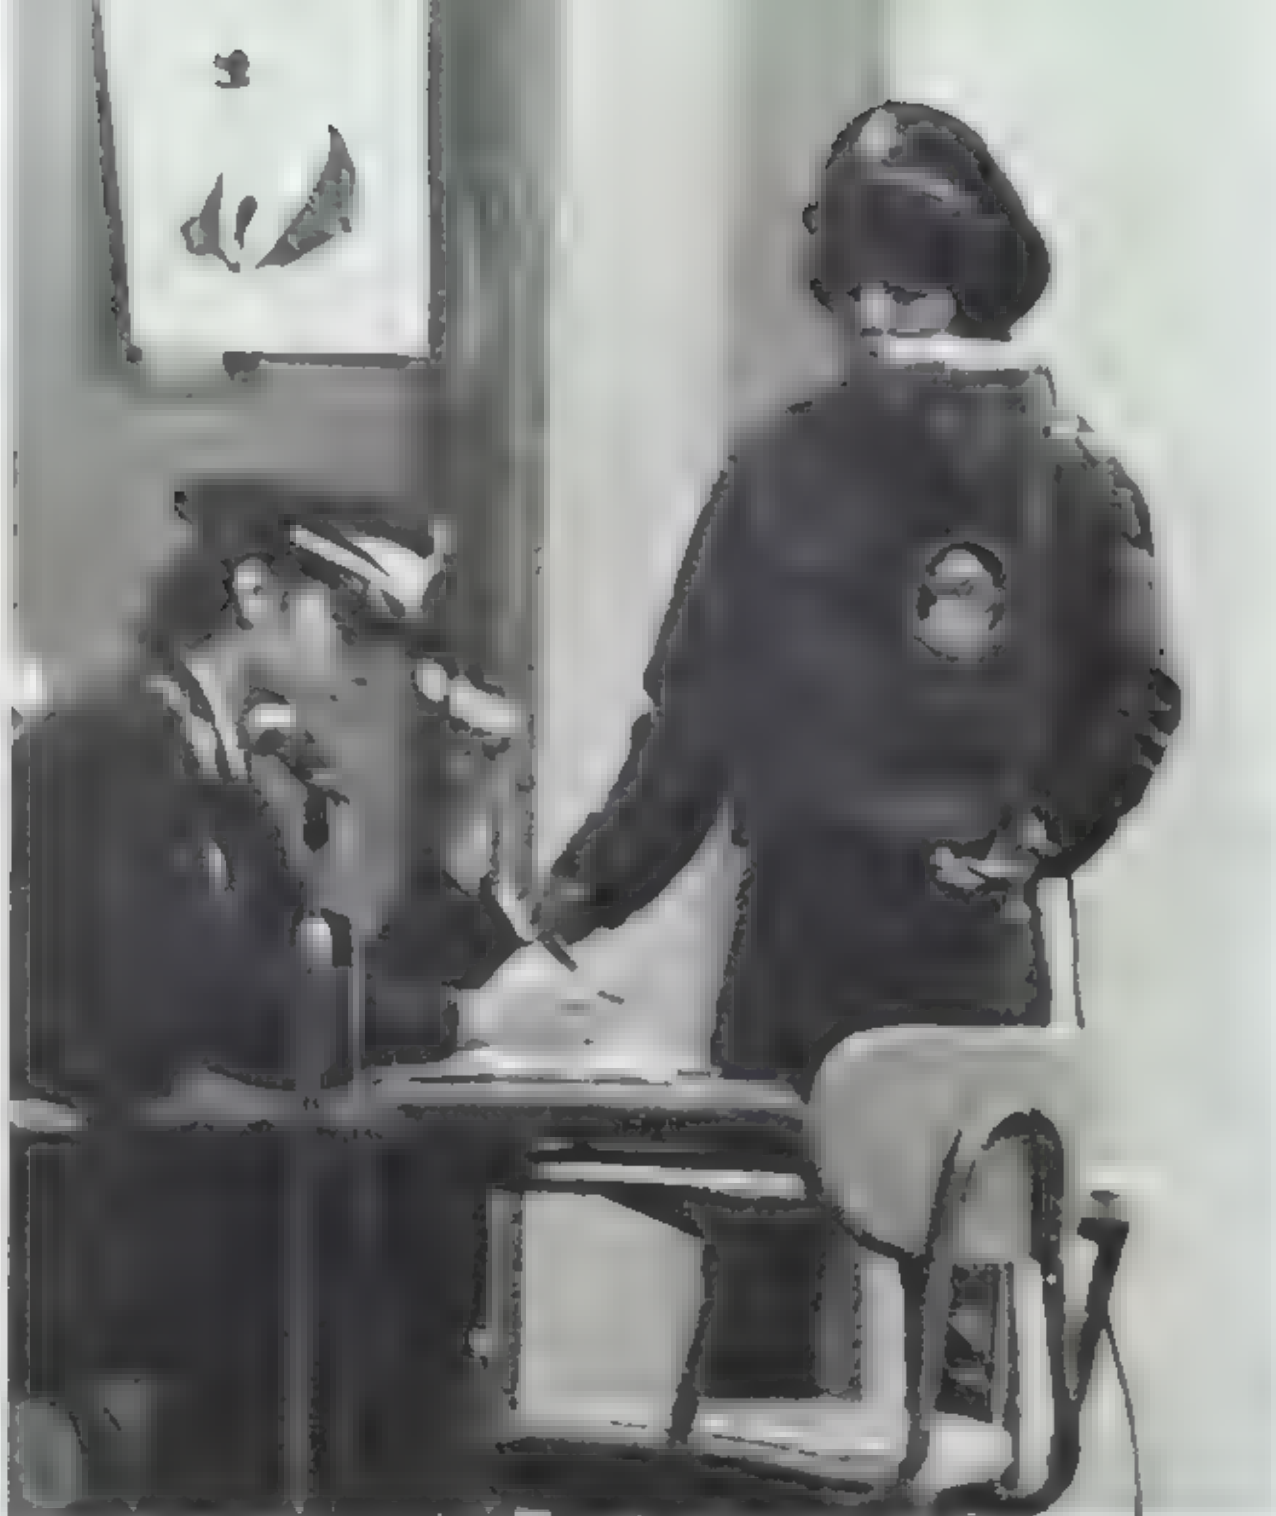

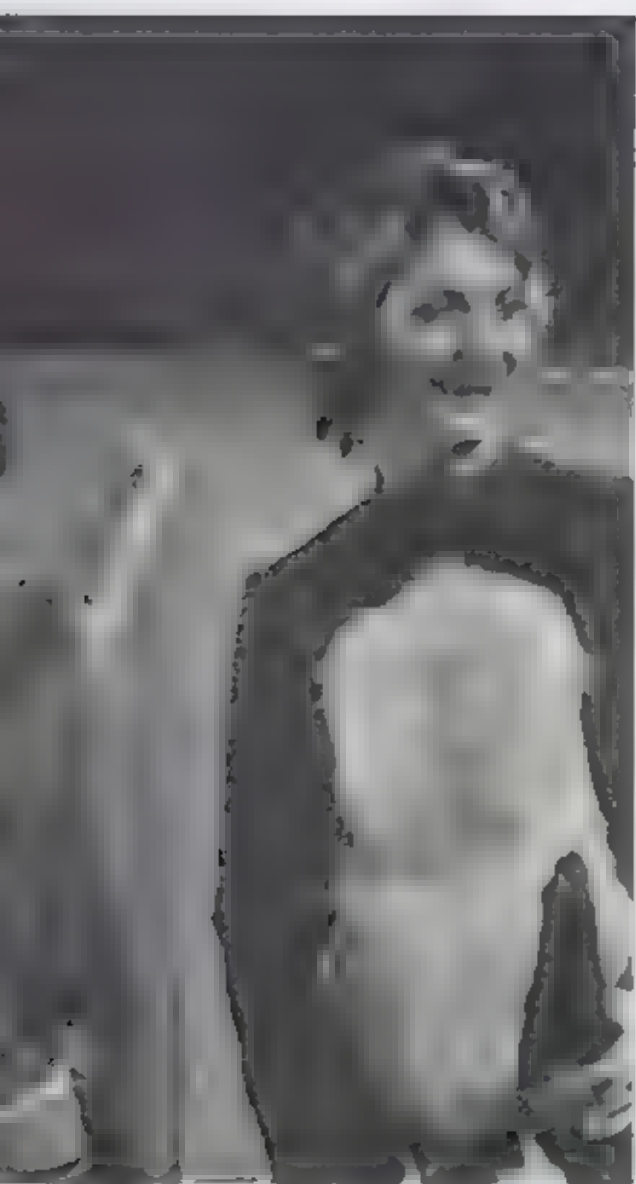

ACTIVITIES

NATIONAL PEP RALLY HOUR PRESENTS . . .

Pep rallies this year were not what they have been in the past. The National Pep Rally Hour saw to that. Led by Allen and Mark, this bunch of Schizophrenic fruitcakes entertained pep rally-goers with a number of hilarious skits, adding greatly to the spirit and unity of Antonian.

Among the award-winning skits were 'Hogan's Heroes', 'The Tonight Show', 'KEXL Feedback', 'Bunker Hill', and 'Wolfmannix'. All won the coach Cameron Marshmellow Award for excellence in stupidity.

Antonian's athletic teams, as well as students present at the rallies, benefited greatly for the work done by the Hour and will remember their constructive insanity for years to come.

INTRAMURALS

The chokers of the intramurals had to be Louie's Lizards. They made the finals in volleyball and basketball, but lost both times.

Fletcher's Castorias spiked the Lizards in the volleyball final.

Rene Hinojosa banked a 4-foot jumper with 10 seconds left to carry the Martinez Mambos over the Lizards, 39-36. Leapin' Lizards!

Next year there will be new mascots and names with the arrival of new teachers.

HOME COMING

As is the usual format, this year's Homecoming activities started off with the annual bonfire. This unique event was held the Thursday prior to our Homecoming game with the Ro-Hawks of Randolph. On this night the students met at school, formed a car caravan, and paraded to the Barrera's ranch, the site of the fire. After everyone had arrived, the structure was lit and an enormous fire blazed until the fire reached its highest point (a Ro-Hawk at the top of the structure) where it destroyed the bird. After many jokes, a few imitations (Jim Brann--Coach Fletcher), and some serious thought from our mighty football team, the crowd disbanded and went home.

The second big event during Homecoming, nominations for Homecoming Court, took place in the auditorium before the student body. A princess for each level was to be decided on and two finalists for Queen were to be chosen. These six girls were to be announced at half-time of the game and coronated at the Home Coming dance.

Next on the agenda was the big game with Randolph. A coincidence arose the night of the game when surprisingly we were informed that it was also Randolph's H.C. game, therefore adding more incentive to win. When the final gun sounded the score read Antonian-13 Randolph-12, making Homecoming a great success.

The highlight of H.C. week was of course the dance which was held in the (air-conditioned) Skyline Room at Ursuline. Students danced to the music of Straw Dogs, listened in awe to the mysterious visit of the Apache god, and laughed at smoke signals from our Apache tee-pee. The evening was highlighted when our H.C. court for '75 was announced. This year's queen was cheerleader Jan Barbar, while the level princesses were Beatrice Martinez--sr., Tricia Houston--jr., Trina Griggs--soph., and Lucy Masters--frosh princess.

SUPERSTARS!!

This year Spirit Week included a "Superstars" Competition. On this page are three of the more unsuccessful competitors.

PROM

The '76 Prom, sponsored by the Junior's, was perhaps the best in the last few years and will be remembered for many Springs to come. Held on April 10th, it was unique in quite a few ways.

It was the only prom in recent history in which food was served, and it was very good food indeed. Excellently prepared, it not only satiated apitites, but also aided in the survival of most Antonian students' wallets.

We also experienced the various styles and colors of formal wear. They ranged from ice-cream-man white to sandals-and cowboy hat wasto.

Enjoyment came quite easily to people after the punch was served. In fact, we enjoyed the punch so much, that we ran out about eleven o'clock and more had to be ordered.

The '76 Juniors really out did themselves, about 300 dollars worth in fact. All in all the '76 prom was super and will live on in our memories.

GRADUATION

Graduation; it finally came! We've been waiting a long time for this moment. Somehow though, the realization that we will no longer be at Antonian makes us wish to do it all over again, at least senior year anyway.

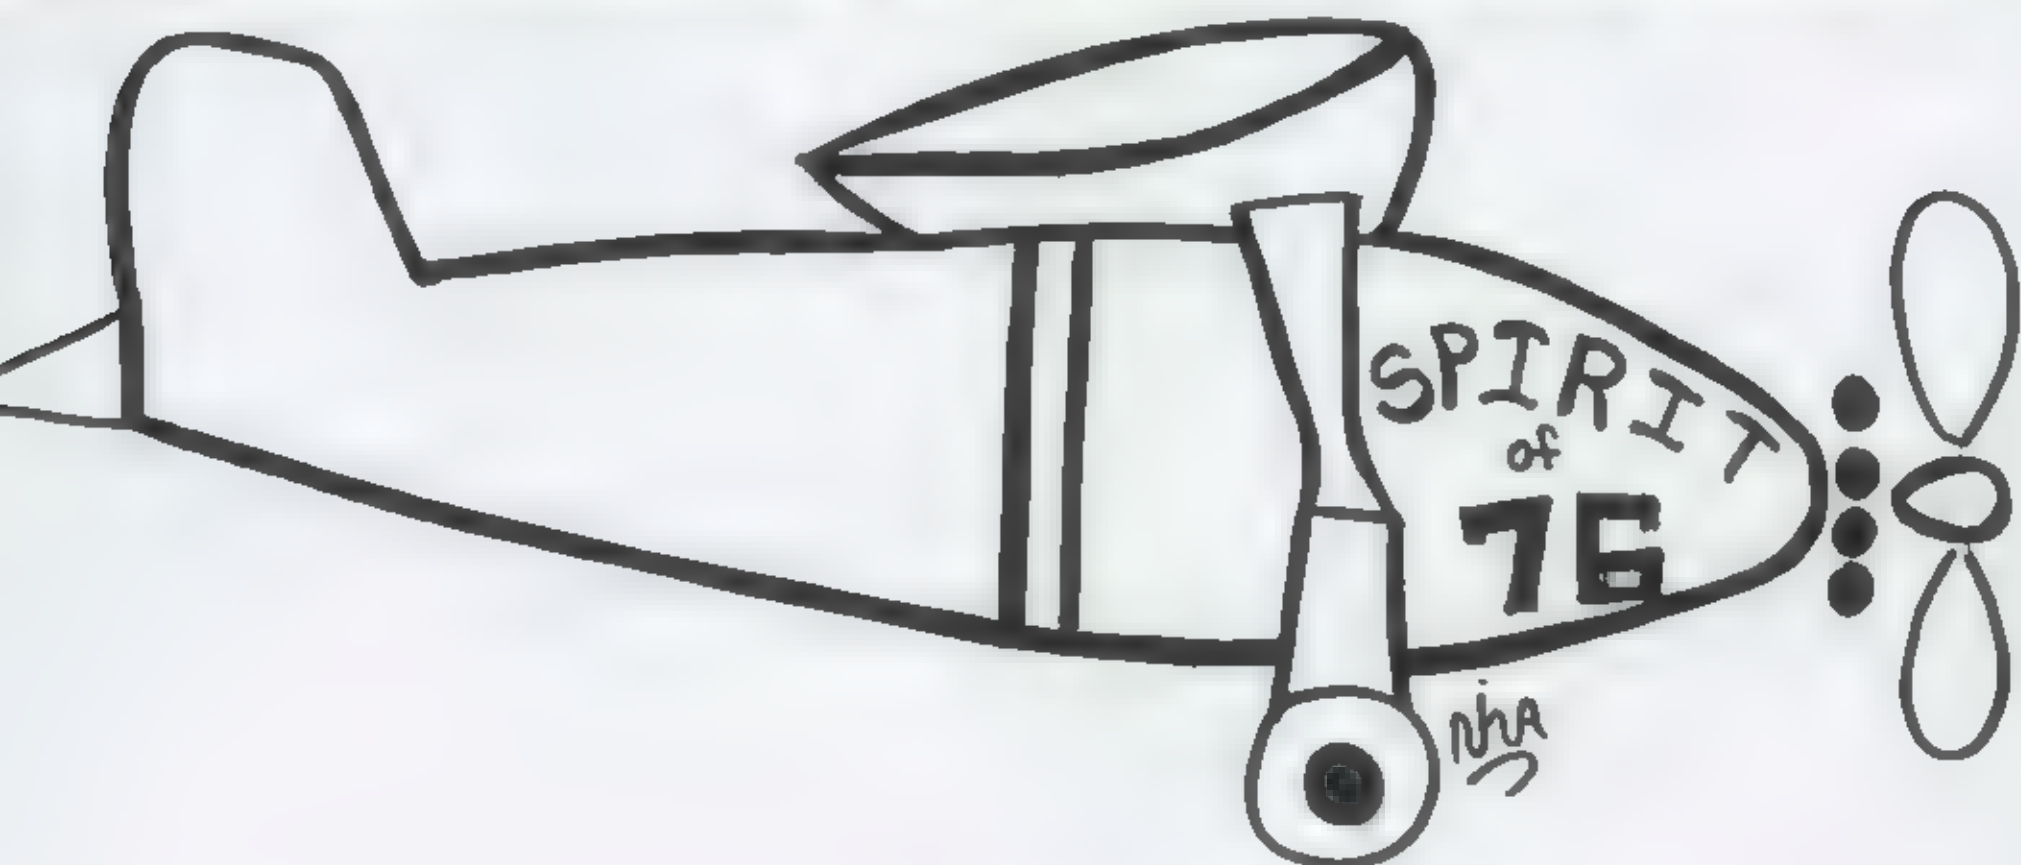

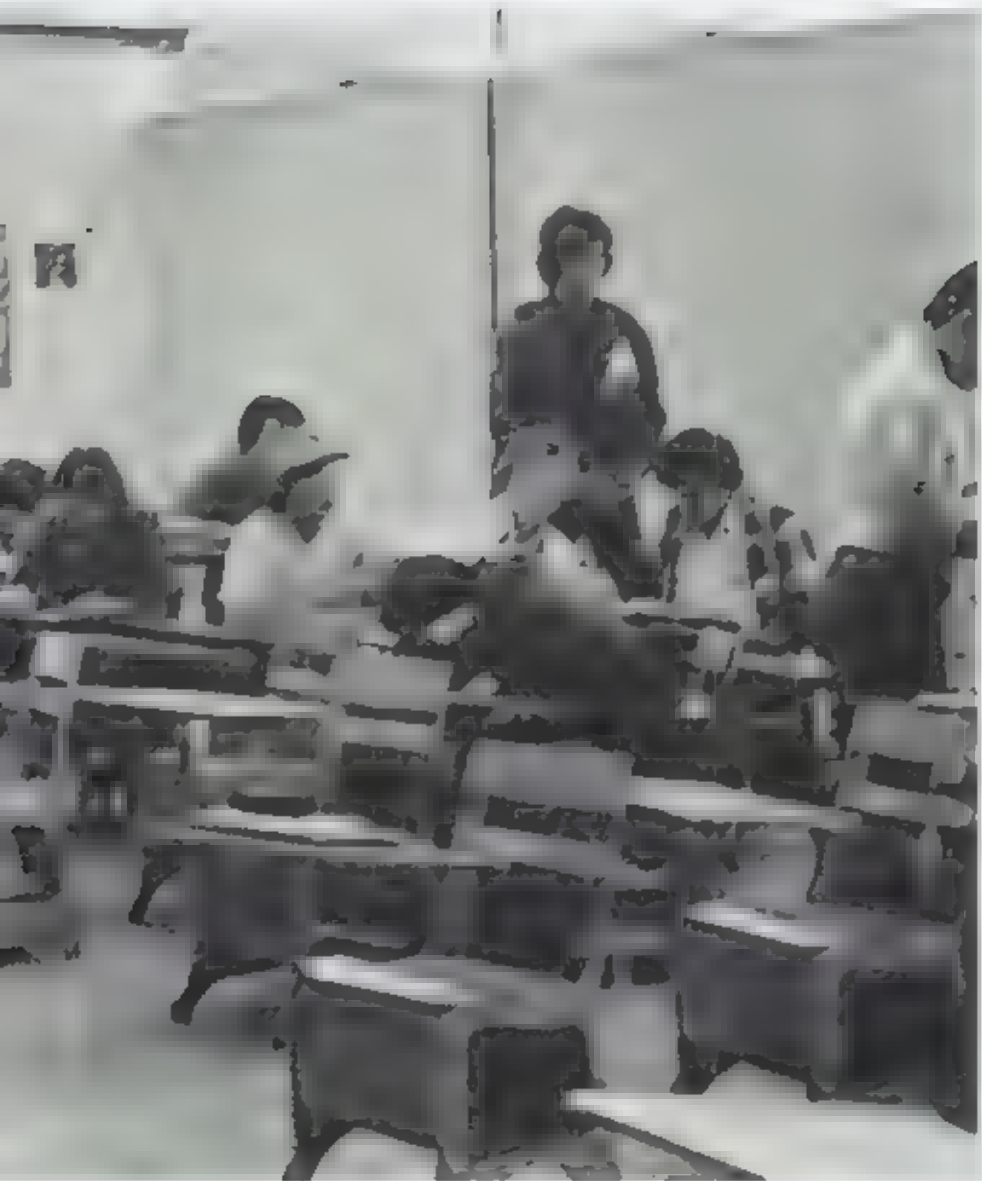

With graduation we leave behind many memories and friends, but we look forward to new challenges and people. Most of us will be going on to college and with it comes studying fun, girls, hard times, and pride. Kind of like high school all over again isn't it?

"Join the people who've joined the Army."

Since the end of the draft a lot of young people are discovering a good place to invest their time. The Army.

They've come, over 300,000 strong, for things they may not have found anywhere else. Some came for the job training. Where else can you get your choice of over 300 good jobs? Some, for the chance to travel. Where else can you get to go almost anywhere in the world?

Some came for the personal challenge. Where else can you get as much responsibility right out of high school? Some, for education. Where else can you get such a good head start on college? (With up to 75% of your tuition paid for while you're in the Army.)

Some came for the finan-

cial rewards. Where else can you get a starting salary of \$361 a month (before deductions) and a raise to \$402 in just four months? (Plus free meals, housing, medical and dental care, a 30-day paid vacation every year, and low cost transportation to help you enjoy it.)

And some came for a different kind of reward. Where else can you do a service to yourself while you're being of service to your Country?

Call me. Army
